Investigative Report**

2024-3775
Officer Involved Critical Incident - 1055 East Avenue,
Akron, Ohio 44307, Summit County

Investigative Activity: Review of Akron PD reports
Involves: Akron Police Department (O)
Activity Date: 12/30/2024
Activity Location: BCI Richfield
Authoring Agent: SA Jonathan Lieber

Narrative:

On Monday, December 23, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Jon Lieber (Lieber) received documents from Akron Police Department (APD) Lieutenant Matt Whitmire. The records which were requested included any reports pertaining to the November 28, 2024, officer-involved critical incident, except for any statements made by the involved officers. SA Lieber reviewed the documents and noted the following:

SA Lieber reviewed written reports from the following officers:

The "Notes" section below is for investigative convenience only and it is not intended to be a summary of the written reports. The full reports should be reviewed in order to obtain a full understanding of each officer's actions.

Officer	Notes
Ofc. J. Bishop #1507	Scene security
Ofc. J. Bowers #1552	Checked north parking lot
Ofc. P. Brilla #1661	Scene security

2024-3775

Officer Involved Critical Incident - 1055 East Avenue,
Akron, Ohio 44307, Summit County

Below is the narrative portion of Officer Dylan Ostrander's report.

ACTION TAKEN:

I, Officer Ostrander #1593, was working uniformed patrol Car 10 with my partner for the day Officer Shaffer #1673. We were on Vernon Odom Blvd. when we heard uniformed patrol Car 20 call out shots fired behind their cruiser on East Ave. near Vernon Odom Blvd. I drove to where Car 20 called the initial shots fired call when I observed Officer Fields #1506 and Officer Stewart-Loar #1650 running southbound on the east side of East Ave. near Miller South High School.

I drove our cruiser parallel to the officers running southbound when I observed an unknown suspect, later identified as Jazmir Tucker, standing in the grass in front of Miller South High School. I heard Officer Fields yell commands towards the suspect to not move then observed Tucker begin to run southbound. I continued to parallel Tucker in the furthest most right lane of East Ave. when I attempted to advance further to get out of the cruiser online with the other officers. While getting on-line I heard two shots fired, and I immediately turned the cruiser around. I exited the vehicle with Officer Shaffer, and we both proceeded to get online with the other officers aiming our firearms at Tucker, now laying on the ground. I shouted commands for Tucker to get his arms out to the side, but Tucker was unresponsive.

We waited for other officers to arrive on scene, then moved the line back behind multiple cruisers for cover. Once two shields were online, we advanced towards Tucker. Once next to Tucker, I grabbed his right hand and placed it behind his back while Officer Shaffer grabbed his left hand. We put Tucker in handcuffs then searched his pockets for weapons when we found a loaded 9mm pistol, with an extended mag, in his right outermost coat pocket. We secured the firearm then used trauma shears to get his clothing off to provide first aid. I attempted to put a chest seal on his gunshot wound, but the chest seal stuck to my glove causing me to be unable to put it on. Akron Paramedics arrived on scene and took over medical aid.

I began to look for shell casings, but was sequestered to be questioned about the events that took place.

Additional documents included a crime scene log consisting of 4 pages and a "Field Case Report" consisting of 3 pages.

A "Report of Investigation" authored by Lieutenant Whitmire #1419 provided an overview of the information known about the incident as well as attempts to view surveillance video from a camera located on 1074 East Avenue.

The above-mentioned documents have been attached to this report. Please refer to the attachments for further details.

ACTION TAKEN:

I, Ofc. J. Bishop #1507, was assigned to Car #2 on Plt. 3 along with Ofc. T. Hoar #1632 on 11/28/2024. We responded to the area of 1077 East Ave. upon hearing Car #20 call out signal 21 over the radio. As we arrived, I parked our marked patrol cruiser at the intersection of Vernon Odom Blvd. and East Ave. in order to prevent any southbound traffic from coming into the area. Myself and Ofc. Hoar approached the scene on foot as the officers nearest the scene were approaching the suspect. I provided security around the inner perimeter until the suspect was secured. Once the suspect was secured, I assisted Ofc. Fields #1506 away from the scene. I did not speak with Ofc. Fields about the incident and just made sure he was not injured. I then assisted other officers in setting up crime scene tape in the northern area of the scene. Myself and Ofc. Hoar were then tasked with providing security to Cruiser #20, which was parked in the rear parking lot of 670 Vernon Odom Blvd. After the area was processed by BCI, I followed in Car #2 as Ofc. Hoar drove Car #20 to the Morely parking deck. Upon returning Car #20 to Ofc. Fields, myself and Ofc. Hoar departed in Car #2 to respond to calls for service.

ACTION TAKEN:

On November 28th, 2024 while working uniform patrol car #18 Officer #1667 and I, Officer #1552, heard Car #20 call out with shots fired near the intersection of Vernon Odom Blvd and East Ave and notified dispatch of signal 5 radio traffic. Soon after Car #20 called out with a signal 21. My partner and I arrived on scene at 1055 East Ave where I observed multiple officers giving verbal commands to the suspect, Jazmir Tucker. One of the officers asked us to check the north parking lot and stated that was where the shots had originated from. Myself, Officer #1667, Officers #1589, and Officer #1587 cleared the parking lots to the north and east side of the above address. Once the parking lots were clear I made my way back to the suspect's location. I observed a pistol laying next to the suspect, who was receiving aid from EMS. I then assisted other officers and canvassed the area. Two pistol shell casings were located in the northeastern portion of the parking lot where the shots fired were reported coming from. I then maintained scene security for the remainder of the call.

ACTION TAKEN:

I, Officer Brilla, #1661 was patrolling the area of Manchester and Waterloo Road, when I heard a shots fired call go out over the radio, then it quickly became a signal 21.

Taking Manchester Road to East Avenue, we quickly got on scene and used our cruiser to block off the road of Manchester Road and East Avenue, and gathered with other Officers on scene. I saw a group of officers giving multiple commands to the Suspect, who was laying down in the front of the school, to show their hands. There was no movement from the Suspect. I, and my partner held cover while other officers prepared to move in to apprehend the Suspect. Officers moved in and handcuffed the suspect.

The suspect was taken into the Med Unit and transported to the hospital. When the scene was made safe officers began to search the area for shell casings. I observed rifle casings on the sidewalk in front of Miller High School. I heard over the radio that other Officers found casings in the parking lot of school. The finding of these casing were sent up to dispatch. I went to the area and saw two handgun casings.

After this time I was told by a supervisor that my partner and I were free to leave the scene and handle calls for service.

ACTION TAKEN:

I, Ofc. Carmany #1492, and Ofc. Simmons #1645 were assigned to Car 3 on 11/28/24. When we heard Car 20 say over dispatch "Signal 5" and "Shots Fired" we began to respond to their location. Once on scene we blocked the intersection of East Ave and Vernon Odom Blvd with our cruiser. We then exited our cruiser and observed officers approaching the suspect and begin rendering aid to him. I then instructed officers to begin putting up crime scene tape around the scene. Officer Simmons and I then located eight rifle casings on the side walk and grass along East Ave about 40 feet from where the suspect was down. We put folded paper markers down to mark where the casings were for when BCI responded to the scene. While Ofc. Simmons stood by the casings I began to canvas the nearby homes and apartment buildings. 706 Stevenson Pointe had a Ring camera on the front the door, but the residents inside stated to me that it had not recorded anything since 2150hrs. 708 and 710 Stevenson Pointe did not have any cameras and the residents stated they did not witness anything that took place. 1074 East Ave. had a camera on the front of the home, but there was no answer at the door, there was also no prior calls linked to the address and the car in the driveway (GNF8047) did not come back with a registered owner when ran on LEADS. Officers Simmons and I continued to stand by the casings we located and also guarded the suspect's gun and belongings that were laying in the grass where he fell to the ground. We then were relieved of our duties once BCI responded to the scene.

ACTION TAKEN:

I, Ofc. Casto #1610, was working car 22 with Ofc. Frech #1618, and we responded to 1055 East Ave. to assist the other units on scene. We met with car 15 and car 16 at the intersection of East Ave./ Manchester Rd. for assistance with traffic control. After speaking with them briefly, we determined we were not needed, and left the incident scene enroute to AGMC following car 11 and car 21.

On scene at the hospital, we met AFD who was actively treating the suspect. We followed AFD into the ambulance bay, and stood by as the hospital staff rendered aid to the suspect who had sustained and unknown number of apparent gunshot wounds. The suspect was pronounced deceased at AGMC at approximately 2329 hours. Due to other units arriving at the hospital, we were able to clear from there and began to take calls around the city.

ACTION TAKEN:

On 11/28/2024 I, Officer Chamberlin #1512, and Officer Locaffaro #1519, were working Uniformed Patrol Car 7. We responded to a shots fired call at the intersection of East Ave and Vernon Odom Blvd, called in by Uniformed Patrol Car 20. When we arrived on scene, Officer Locaffaro positioned one of the marked patrol cruisers that was parked so we could adjust the spotlights so other officers could see the subject's hands better. Once the subject was transported by AFD MED 62 to AGMC, I then assisted in checking the area for any casings, or items the subject may have dropped while he was fleeing the scene.

As Officer Locaffaro checked the parking lot northeast of the school and located a spent shell casing. While Officer Locaffaro was standing by the spent shell casing, I shined my flashlight, on the ground, moving west from the spent casing. I located a second spent shell casing approximately 10 feet from the casing Officer Locaffaro located. I then notified dispatch, at 0008 hours that I had located a second spent shell casing. Officer Locaffaro and I stood by the casing until BCI arrived to take photographs and collect the casings.

ACTION TAKEN:

On Nov. 28th, 2024, I, Officer Clark #1544, was assigned to patrol car 34. While on routine patrol, Officer Fields #1506, called out with a signal 21 at the intersection of East/V.Odom, during a shots fired call. I, arrived on scene and parked my cruiser at the intersection of East/V.Odom. I, exited the cruiser and helped other responding officers clear the suspect. After clearing the suspect, I conducted a canvas of the grass area directly in front of Miller South School for any shell casings related to the call. After conducting a canvas of the front grass area of the school, I furthered my canvas to the following areas surrounding the school: the north parking lot, the north grass area, the east parking lot, and the east grass area. At 0019, Sgt Woodin asked me to clear the scene and help answer waiting calls to service in the city.

ACTION TAKEN:

On 11/28/24 I, Ofc.Coblentz 1586 was working Car 12. I was in the area of Copley Rd. & Edgewood when I heard multiple shots fired near the area of Vernon Odom & East Ave. Upon hearing the shots I heard Car 20 call out on the radio reference Shots Fired followed by Signal 5 Emergency Traffic. I immediately headed southbound on Edgewood towards Vernon Odom Blvd. Car 20 then called out reference a Signal 9 male on foot from the area of the shots fired.

When I arrived at the intersection of Edgewood & Vernon Odom Blvd. I heard Car 20 call out Signal 21 Emergency Traffic. I drove westbound on Vernon Odom Blvd. then southbound onto East Ave. I observed multiple cruisers parked in front of the Miller South School (1077 East Ave.). I exited my cruiser where I observed multiple officers on line holding the suspect at gun point and giving the suspect repeated verbal commands to show his hands. The suspect was laying on his stomach on the ground, his hands were not visible to officers.

I got on line with the other officers holding my rifle as officers continued to giving verbal commands to the suspect to show his hands as his hands were still not visible to officers. We then began moving backwards towards cruisers in order to obtain ballistic coverage as we were still unable to view the suspect's hands. Sgt.Guilmette was on scene with a ballistic shield. Officers got on line utilizing the cover of the shield and began approaching the suspect while continuing to give verbal commands for him to show us his hands.

We approached and made contact with the suspect who was then placed in handcuffs. The suspect was searched and officers began rendering aid. Officers located a black handgun with an extended magazine in the possession of the suspect. The firearm was secured and the suspect was then uncuffed to allow officers and EMS to continue rendering aid. The suspect was then transported by EMS to AGMC.

ACTION TAKEN:

I, Officer Donohew #1556 was assigned to Car 17 on 11/27/2024.

I responded to the scene along with my partner Ofc. Brilla #1661. Upon arrival, we used Car 17 to block off the intersection of Manchester Rd and East Ave. I then assisted holding cover with other officers of the suspect. While the suspect was apprehended I held my position. Once the suspect was apprehended and transported by EMS, I got on line with other Officers to preform a sweep of the area for further evidence.

I then continued assisted other Officers by searching the scene for evidence. Other Officers notified that shell casings were found in the NE parking lot of the school. I assisted looking in the area until all shell casings were located. I was advised to then go back into service to take calls.

ACTION TAKEN:

I, Ofc. Frech #1618, was working car 22 with Ofc. Casto #1610, and we responded to 1055 East Ave. to assist the other units on scene. We met with car 15 and car 16 at the intersection of East Ave./ Manchester Rd. for assistance with traffic control. After speaking with them briefly, we determined we were not needed, and left the incident scene enroute to AGMC following car 11 and car 21.

On scene at the hospital, we met AFD who was actively treating the suspect. We followed AFD into the ambulance bay, and stood by as the hospital staff rendered aid to the suspect who had sustained and unknown number of apparent gunshot wounds. The suspect was pronounced deceased at AGMC at approximately 2329 hours. Due to other units arriving at the hospital, we were able to clear from there and began to take calls around the city.

ACTION TAKEN:

On 11/28/2024, Officer Whatley #1589 and I, Officer Harrington #1587, were assigned to uniform patrol car #21. When at approximately 2301 HRS, we were dispatched to the above listed location to assist with uniform patrol car #20 reference emergency radio traffic. Upon our arrival there were multiple officers already on scene surrounding the male suspect, later identified as Jazmir Tucker. I was immediately advised that Tucker had been shooting at an unknown person or thing in the area just North of the above listed location. Due to this Officer Bowers #1552, Officer Whatley, Officer Stanton #1667, and I performed a protective sweep of the Northbound parking lot. As well as the area just behind the above listed location. Nothing was located at this time.

I then made my way back to the front/Westbound side of the above listed location to assist other officers, who were rendering emergency medical treatment to Tucker. As I was assisting with securing the scene and setting a perimeter AFD arrived on scene. At this point I was advised by uniform patrol car #46, Sgt Farr #1452, to follow AFD med unit 62 down to Akron General Hospital with my partner Officer Whatley. I did not speak with any parties involved, nor did I witness anything. Additionally, we also did not canvass the area nor did we speak with any potential witnesses.

Once on scene at the hospital, Tucker was taken into treatment and was eventually pronounced deceased at 2329 HRS. Officers stayed at the hospital and attempted to identify the unknown suspect until the medical examiner arrived at the hospital. We were unable to identify the male at this time. The medical examiner and BCI agent arrived on scene to conduct their investigation. Tucker's body was taken into the medical examiner's custody.

B.W.C. available.

ACTION TAKEN:

On November 28, 2024, Officer Coblentz (#1586), and I, Officer Lane (#1637) responded to a signal 21 in the area of East Ave at Miller South. On scene I, Officer Lane (#1637), exited patrol Car 12. I got in line formation with other officers and drew my duty gun out at the suspect laying in the grass on the west side of Miller South. As officers gave verbal commands to the suspect to show his hands, I held the suspect at gun point. As officers approached the suspect, I took cover behind a patrol car. As officers handcuffed the suspect and cleared the radio for EMS to approach.

I turned around and walked toward the west side of East Ave and directed EMS to the location. As I was walking past patrol car 12, I saw Ofc.Loar (#1650) and briefly checked on his well being.I started to canvas the area for shell casings. I checked the areas west of the school building. I also checked the parking lot area south of the school. After canvassing the area for shell casings, I was assigned to watch the suspect's firearm until CSU finished conducting their investigation and evidence collection. At approximately 0215hrs my shift was dismissed from the scene.

I Ofc. Lovsey 1620, was in uniform patrol in District 6, with Ofc. Stottsberry 1653. We heard Car 20 call out signal 21 on the radio at 2301 hours. We responded with lights and sirens to the location on East Ave. Once we arrived on scene, I pulled the cruiser on the sidewalk facing the suspect in front of the school. We turned on the cruiser spot lights and faced them onto the suspect, who was later identified as, Jazmir Tucker. After officers walked up with a shield, and detained suspect, I started helping put up caution tape to secure scene. I searched around the parking lot where the suspect fired off rounds. Car 7 had located the shell casing at back parking lot. I stood guard with Car 7 until Sgt. Guilmette cleared me from the scene.

On November 28th, 2024, at approximately 23:41, Det. M. Williams notified CSU that response to an Officer Involved Shooting would be necessary shortly, and that we would receive another call for when and where to respond. On 11/29/24 at 00:02, Det. K. Williams called to notify CSU that we were to respond to the staging area at 670 V Odom Blvd reference the incident original location of 1055 East. Ave. Det. Clark and I responded to the scene. After a conference with the OIC's, it was decided that CSU would only collect the (4) BWC's from the directly involved Officers. BCI was on scene at this point, and Sgt. Armstead was on scene to facilitate the transfer of firearms to BCI's custody instead of CSU.

At this point, Det. Clark and I were told to clear the scene and head back to the station to dock the BWC's and facilitate viewing of the footage and access restriction. I docked the (4) BWC's belonging to #1506 Fields, #1650 Stewart-Loar II, #1593 Ostrander, #1673 Shaffer in the 5th Flr BWC room. Chief Harding, Capt. M. Miller, Capt. Beitzel, and Lt. Whitmire were present in CSU for viewing of the BWC footage and direction of video restriction. At the conclusion of this I was ordered to compose an action taken and clear from the incident. Det. Clark #1041 was present and assisted throughout.

ACTION TAKEN:

I, Officer Miller 1491, was assigned to patrol Car 4 on 11/28/2024. Around 2300 hrs I was at George Washington Blvd./224 E (East Waterloo Rd.) when I heard the officers in patrol Car 20 call out they heard shots fired near East Ave./Vernon Odom Blvd. I was pulling into the Get Go gas station on 224 E. when I heard the officers over the radio say "shots fired". Around 2301 hrs, a Signal 21 was dispatched. I immediately activated my overhead lights and sirens and began towards patrol Car 20. Around 2309hrs I arrived on scene. I began assessing the need for scene security. I observed crime scene tape was being displayed, EMS was on scene, and there were no crowds or traffic. I started to walk towards the group of officers who were assisting EMS to see if an officer was needed to follow EMS to the hospital. As I was walking towards them, Sgt. Woodin was requesting shift representatives for the two officers assigned to patrol Car 20. I responded I was a shift rep and began headed back towards the cruisers near the intersection of East Ave./Vernon Odom Blvd. where I last saw both officers from patrol Car 20. Once I located one of the officers, I walked him over to grab his water from patrol Car 20 and we sat in patrol Car 19. I advised this officer not to speak with anyone about the incident, not even me, until he was advised further by a union rep. I stayed with him until he was dismissed from the scene by his shift commanders. After dropping him off at the Morley Deck, I went back into service.

ACTION TAKEN:

I, Officer Ostrander #1593, was working uniformed patrol Car 10 with my partner for the day Officer Shaffer #1673. We were on Vernon Odom Blvd. when we heard uniformed patrol Car 20 call out shots fired behind their cruiser on East Ave. near Vernon Odom Blvd. I drove to where Car 20 called the initial shots fired call when I observed Officer Fields #1506 and Officer Stewart-Loar #1650 running southbound on the east side of East Ave. near Miller South High School.

I drove our cruiser parallel to the officers running southbound when I observed an unknown suspect, later identified as Jazmir Tucker, standing in the grass in front of Miller South High School. I heard Officer Fields yell commands towards the suspect to not move then observed Tucker begin to run southbound. I continued to parallel Tucker in the furthest most right lane of East Ave. when I attempted to advance further to get out of the cruiser online with the other officers. While getting on-line I heard two shots fired, and I immediately turned the cruiser around. I exited the vehicle with Officer Shaffer, and we both proceeded to get online with the other officers aiming our firearms at Tucker, now laying on the ground. I shouted commands for Tucker to get his arms out to the side, but Tucker was unresponsive.

We waited for other officers to arrive on scene, then moved the line back behind multiple cruisers for cover. Once two shields were online, we advanced towards Tucker. Once next to Tucker, I grabbed his right hand and placed it behind his back while Officer Shaffer grabbed his left hand. We put Tucker in handcuffs then searched his pockets for weapons when we found a loaded 9mm pistol, with an extended mag, in his right outermost coat pocket. We secured the firearm then used trauma shears to get his clothing off to provide first aid. I attempted to put a chest seal on his gunshot wound, but the chest seal stuck to my glove causing me to be unable to put it on. Akron Paramedics arrived on scene and took over medical aid.

I began to look for shell casings, but was sequestered to be questioned about the events that took place.

ACTION TAKEN:

On the evening of 11/28/2024, I was assigned to Car 13 with my FTO, Officer Shrake #1432. We responded to the signal 5/ Signal 21 at 1055 East Ave. When we arrived on scene we initially blocked the South side of the intersection of Vernon Odom Blvd./ East Ave. I moved Car 4 to allow EMS access to the scene. While in Car 4, Officer Finnerty #1625 instructed me to go west on Vernon Odom and block traffic from coming East toward East Ave. I blocked the East bound lane of Vernon Odom at the intersection of Everton Dr. I continued to block traffic until instructed by Sgt. Woodin #1392 to re-open the lane. I then waited for Officer Shrake who was sitting with Officer Fields #1506 as a shift rep. Once Officer Shrake concluded with Officer Fields we then cleared from the scene.

ACTION TAKEN:

On 11/28/2024, Officer Wood 1591 and I, Officer Phillips were assigned to uniformed patrol in Car 8. At approximately 2301 hours, we heard Car 20 over the radio request a signal 5 traffic due to shots fired in the area of East Ave. and V. Odom Blvd. We heard Car 20 mention a signal 9 a few seconds later with a statement of additional shots fired.

At this time, Officer Wood and I were traveling Southbound on East Ave. and arrived at Miller South School at 1077 East Ave. On scene we observed officers standing on the grass, directly in front of the school. The officers were facing the building, eastbound, standing shoulder to shoulder with their firearms pointing eastbound. Due to the darkness we were unable to determine what officers were on scene and who was standing where. Once online with those officers, we observed Jazmir Tucker, lying face down in the grass. His head was pointing south, and his feet were pointing toward the north. Officers began to give loud, direct commands to show his hands, however, there was no response.

As additional officers arrived on scene, a tactical plan was formulated to approach the suspect. We then observed Officer Shaffer and Officer Ostrander secure the suspect Tucker, in handcuffs and began to render aid. At one point I observed a black handgun, with an extended magazine that had blue tape on it. The handgun was laying on the ground to the west of Tucker. At this time AFD arrived on scene and took over. Tucker was transported from the scene to the hospital by AFD. Following this, we preceded to walk northbound through the parking lot and yard until we found Car 20 parked in the parking lot in the rear of the Antioch Baptist Church, 670 Vernon Odom Blvd. We did not locate any evidence during the canvas of the areas.

Shortly after we walked eastbound through the parking lot and Southbound through the behind Miller South School. We preceded to walk all the way around the building, at which time we did not locate any evidence. At this point, we cleared the scene and proceeded to answer calls for service throughout the city.

ACTION TAKEN:

On 11/28/2024 at approximately 23:01 hours I, Sergeant Farr #1452, was working Car 46. I was at the police station on the 5th floor when I heard Officer Fields #1506, who was working Car 20, call out that they heard shots fired near their location at East Av/Vernon Odom Blvd. Moments later, Officer Fields called out on the radio that shots were fired, one suspect was down and asked for "Signal 5" traffic, which is Emergency Radio Traffic Only. He then stated this was a "Signal 21" which is an Officer Needs Emergency Assistance.

Sgt Woodin #1392, Lt Murphy #1283 and I left from the 5th floor and responded to the scene. On the way to the scene I heard several officers asking for another shield, which I knew I had in the back of my marked patrol unit. Once on scene I grabbed my shield to assist. Several other officers and I made the initial approach to the suspect, later identified as Jazmir Tucker, who was lying in the grass on the south side of the school, Miller South, located at 1055 East Av.

Officers applied handcuffs and searched Jazmir for weapons, at which time they located a pistol in his jacket pocket that had an extended magazine on it. I instructed officers to place the firearm on the ground and assigned an officer to remain with it. Once Jazmir was searched, I instructed officers to take off his jackets to locate any possible injuries. I instructed officers to apply a chest seal to a wound located on his lower left chest/stomach area.

AFD arrived on scene and I instructed officers to take Jazmir out of handcuffs so they could assess and treat Jazmir. During this time I assisted in canvassing the immediate area to locate any evidence, which I had negative results. I remained on scene and supervised officers for the duration of the call. I held inner scene security for BCI, and served as a liaison for Lt Murphy and Captain Miles #1288. I showed Lt Whitmire #1419 several bullet casings that canvassing officers located in the west side parking lot.

After BCI cleared from the scene, I assisted officers with taking down crime scene tape before clearing from the scene.

ACTION TAKEN:

On 11/28/2024, I, Sgt. Guilmette, was assigned to sectors 1 and 4 and was driving car 44. At approximately 2301 hrs. Car 10, Officer Fields (#1506) and Officer Loar (#1650) advised to dispatch that they heard multiple shots fired in the area of East Ave. and Vernon Odom Blvd. Shortly after this, Officer Fields advised that he was out with a suspicious person near the parking lot of Miller South School (1055 East Ave.) At that time, I started to drive towards the area of 1055 East Ave. to assist as a backup unit. While I was en route, Officer Fields advised dispatch that there were shots fired and there was a signal 21 (Officer needs help). I immediately activated my overhead lights and sirens and continued to the officers needing assistance.

While en route, officers that had arrived on scene at 1055 East Ave., advised of several intersections that needed to be blocked off and that they needed a shield. I advised those units that I had a shield and that I was en route. When I arrived on scene, I observed several units standing in row to the west of Miller South. I exited my cruiser and secured the shield that was located in the rear of marked cruiser #44. As I made my way towards the scene, I made contact with Officer Wood, who advised that there were shots fired. Officer Wood also advised that there was one subject (later identified as Jazmir Tucker) down and that he was not complying to the verbal commands that the officers were issuing. As I got closer to the scene, I observed Jazmire laying down on his stomach, to the south of where the officers were standing.

There was also a request for a second shield, to which Sgt. Woodin was en route with. While we were waiting for the second shield, I had the units on scene move to cover. While we were behind cover, I made sure that we had lethal coverage, another person to hold the second shield for cover, and a hands team. As soon as the second shield arrived, we got into place and approached the Jazmir. As we approached Jazmir, I observed a phone near his head. I was unable to observe where the subject had sustained injuries, but he did appear to be unconscious. Once we got close enough to Jazmir, the two officers who were designated as the hands team placed him in handcuffs. Officer then immediately began to

ACTION TAKEN:

On, November 28th 2024, I was assigned as Car 43, the supervisor for Sectors 2 and 3. At approximately 2301 hrs., Car 20 transmitted radio traffic that they heard several shots fired in their immediate area. After a brief pause in radio traffic, officers advised that shots had been fired and the suspect was down. After hearing this radio traffic I started that way from the area of E. Market St/S. Seiberling St.

Once on scene, I assisted officers with setting up a perimeter and searching for spent casings. I also assisted in gathering a group of officers to begin canvassing the surrounding area for evidence that could assist with the investigation.

Eventually, I spoke with Lt. Joyce, who tasked me with advising officers, who could, to clear the scene and began taking calls throughout the city.

After assisting with getting multiple cruisers clear from the scene, I cleared as well, to assist with taking calls.

U <input type="checkbox"/> REFERRED TO PROS		

ACTION TAKEN:

On November 28th, 2024, I, Sergeant Woodin #1392, was working Car 48. I was at the police station on the 5th floor when I heard Car 20 Officer Fields #1506 call Signal 5 (emergency radio traffic) and stated he heard shots fired in the area of V. Odom Blvd. and East Ave. Officer Fields called over the radio he would be out with a person reference the shots fired. Officer Fields called over the radio shots fired, suspect down, and stated Signal 21 (Officer Needs Emergency Assistance).

I left the 5th floor and responded to the scene. While enroute I got on services channel and requested they stage a Med Unit. When I arrived on scene, I took the shield out of the back of my cruiser and handed it off. There were enough officers to approach the suspect, so I started instructing other officers to set a perimeter and where I wanted it set. After the officers had the suspect in custody, I asked Officer Fields a few safety questions. Once those were answered I advised him and Officer Loar #1650 (Officer Fields partner in Car 20) to turn off and power down their BWC's. After they were powered off, I took possession of both of them. I walked Officer Fields and Officer Loar over to the Command Post area. I separated them into different cruisers with Union shift reps.

At this time I asked if any other officers were involved or witnesses the incident. Officer Ostrander #1593 and Officer Shaffer #1673 stated they were pulling up when it happened. Not knowing fully if they were witnesses, I advised them to turn off and power down their BWC's. After their BWC's were powered off, I took possession of them. Officer Ostrander and Officer Shaffer were walked over to the Command Post area and separated with Union shift reps.

I was advised that 1074 East Ave. had cameras on the outside of the house but no one answered the door. I found two different phone numbers attached to the location and called both. I did not get an answer on either call.

The Crime Scene Unit responded to the Command Post and I turned over the BWC's to Detective Milewski.

Officer Ostrander #1593, and I, Officer Shaffer #1673 were patrolling District 10 in car 10. At 23:01 pm we heard signal 5 traffic come over the radio. At that time, we were traveling east on Vernon Odom Blvd. at East Ave. We realized from the radio traffic that the call was coming in from our location. We turn south on East Ave. and saw officers from car 20 chasing the suspect south through the grass in front of the school. We activated our lights and sirens, sped up and paralleled the chase in our cruiser. When we got up next to the school, I heard what sounded like three shots ring out. We turned the cruiser around and got out on foot. Once on foot we drew our duty pistols and got on line with the officers of car 20. The four of us gave commands to the suspect to put his arms out to his side, which he did not respond to. Other officers arrived and got on line with us until shields were available. Together we approached the unresponsive suspect whose hands were tucked underneath his body. I gloved up and went hands on with officer Ostrander to affect the arrest. During the search of the suspect, I found a loaded handgun with an extended magazine, in his front right jacket pocket. Officer Ostrander, and I then removed the suspect's jacket and shirt revealing a gunshot wound to the chest. At that time, we rendered first aid by applying a chest seal to the wound. AFD then arrived, at that point I took off the handcuffs so AFD could render aid to the suspect. Then the suspect was taken by AFD to AGMC. Finally, I was sequestered and bodycam taken by a supervisor.

ACTION TAKEN:

Officer Carmany and I, Officer Simmons were working Uniform Patrol Car 3 when we heard Car 20 call for a signal 21 at 1077 East Ave. We arrived on scene at East Ave. and blocked East Ave. at Vernon Odom Blvd with our cruiser. We approached the scene and observed the suspect laying face down on the grass. We witnessed officers approaching the suspect on the west side of Miller South Visual and Performing Arts School. The officers that initially approached rendered aid to the suspect prior to EMS arrival. Officer Carmany and I, began taping off intersections and canvassing the area for evidence. Spent shell casings were found approximately 40-50 feet away from the suspect on the sidewalk. Officer Carmany and I, found eight 5.56 spent casings and placed paper to mark the location of each spent casing. Officer Carmany and I, notified the sergeants to the location of the spent casings and held the area until we were released from the incident.

ACTION TAKEN:

On 11/28/2024 I, Ofc. Smith #1592 while working uniformed patrol Car 5 with Ofc. Martinez #1657, responded to a shots fired called out by Car 20. When we arrived on scene at East Ave and Vernon Odom Blvd, I assisted other officers with setting up crime scene tape to create a perimeter for the scene. I also assisted officers canvas the area looking for 9mm shell casings around the property. I did not find any casings while canvassing the area.

ACTION TAKEN:

On November 28th, 2024 while working uniform patrol in Car #18 Officer Bowers #1552 and I, Officer Stanton #1667 we heard Car #20 call out with shots fired near the intersection of Vernon Odom Blvd and East Ave and notified dispatch of signal 5 radio traffic. Car #20 then called out with a signal 21. Bowers and I, activated our overhead lights and sirens while responding to the listed location. On scene we exited our cruiser and observed multiple officers giving verbal commands to the suspect, later identified as Jazmir Tucker lying in front of 1055 East Ave. One of the officers asked us to check the north parking lot and stated that was the area the shots had originated from. Myself, Officers Whatley #1589, Harrington #1598 and Bowers #1552, then cleared the north and east side of the above address and did not see any other suspects. I then began to put up crime scene tape with Officers Hoar #1632, Workman #1598 and Martinez #1657. Shortly after, I began a crime scene log and maintained scene security for the remainder of the call.

Officer Hollins #1582 and I, Officer Virden #1644, working uniform patrol in Car #16, responded to a signal 21 called out by Car #20 at East Ave. and Vernon Odom Blvd.

On scene, I observed officers giving the suspect verbal commands to show his hands as they moved in to make the arrest. After making sure the scene was secured and safe, officers moved in and began to start life saving measures. AFD arrived on scene shortly after, taking over life saving measures and transporting the suspect to the hospital.

After the suspect was transported to the hospital, I began to secure the scene by putting up crime scene tape and making sure bystanders in the area didn't cross into the crime scene.

After the bystanders went away, I returned to Car #16 at East Ave./Manchester Rd. for the remainder of the call directing traffic and getting individuals to and from their residence.

ACTION TAKEN:

Officer Harrington #1587 and I, Whatley #1589 were uniform patrol division in district 1 in Car 21. Car 20 called out shots fired at the intersection East Ave and Vernom Odom and notified dispatch of emergency traffic.

Officers Harrington #1587 and I, Whatley #1589 arrived at 1055 East Ave (Miller-South Visual Performing Arts Elementary School) to assist with the call.

Officers Bowers #1552 and Stanton #1667 were standing by the North side of the 1055 East Ave. We assisted with clearing the North side parking lot with Officers Bowers #1552 and Stanton #1667. Once the parking lot was clear, I made my way back to my cruiser to assist with placing crime scene tape up to secure the perimeter.

I was advised by Officer Harrington #1587 that we were tasked with following the follow AFD Med Unit 62 down to Akron General Hospital by Car 46, Sgt Farr #1452.

Once on scene at Akron General Hospital, The Unknown male was taken into treatment and shortly after was pronounced deceased by medical staff at 11:29 p.m. We stayed at the hospital and attempted to identify the unknown suspect until medical examiner arrived. We were unable to identify the male at this time. The medical examiner and BCI agent arrived on scene to conduct their investigation. The unknown male's body was taken into the medical examiner's custody.

BWC available.

ACTION TAKEN:

On 11/28/2024, Officer G. Phillips 1652 and I, Officer R. Wood 1591, were assigned to uniformed patrol Car 8. At approximately 2301 hours, we heard Car 20 over the air request signal 5 traffic due to shots fired in the area of East Avenue and Vernon Odom Boulevard. Within seconds, we heard Car 20 mention a Signal 9, followed by a statement of additional shots fired.

At this time, Ofc. G. Phillips and I were traveling southbound on East Avenue and began to arrive on scene at Miller South School, 1055 East Avenue. On scene, we observed several officers standing in the grass, directly in front of the school. The officers were facing eastbound, standing shoulder to shoulder, with their firearms pointing eastbound.

Due to the darkness and approaching the officers from the rear, we were unable to determine what officers were on scene and who was standing where. Once on line with those officers, we observed the suspect, Jazmir Tucker, lying face down in the grass. His head was pointing towards the south and his feet were pointing towards the north. Officers began to give loud verbal commands at Tucker to show us his hands, however, there was no response.

As additional officers arrived on scene, a tactical plan was formulated to approach the suspect. On approach, we observed Ofc. Shaffer and Ofc. Ostrander secure Tucker in handcuffs and begin to render aid. At one point, I observed a black handgun with an extended magazine laying to the west of tucker. At this time, AFD arrived on scene and took over. Tucker was subsequently transported from the scene to the hospital via AFD.

Following this, we proceeded to walk northbound from where Tucker was lying to canvass for any evidence. We walked northbound through the yard and parking lot, until we reached Car 20 parked in the rear of Antioch Baptist Church, 670 Vernon Odom Boulevard. We did not locate any evidence during this canvass.

Shortly after, we walked eastbound through the parking lot and southbound behind Miller South School. We proceeded to walk all the way around the building, at which time we did not locate any evidence. At this point, we cleared the scene and proceeded to answer calls for service throughout the city.

ARREST

ARREST

Items Recovered/
Location/Date:

N/A.

MO:

The suspect discharged a firearm within city limits. When ordered to stop by the police he ran on foot. The suspect was found to possess a concealed firearm despite not being of age to do so.

Suspect/Arrested:

Jazmir D. P. Tucker
03/11/2009, [REDACTED]
853 Amherst St.

Statement of
Suspect/Arrested:

None

Scene Searched/
Processed:

BCI responded and processed the scene. Akron police officers conducted the initial canvass, locating spent 5.56/.223 casings, 9mm casings, and surveillance footage from a City of Akron camera at Lane Field.

Evidence Collected/

Location of Evidence: The below listed evidence was collected by BCI

- Spent 5.56/.223 casings
- Spent 9mm casings
- Loaded Tarus model G2C (AEB092621) with extended magazine

The below listed evidence was uploaded to Evidence.com.

- BWC footage of incident and all other responding officers
- Surveillance footage from Lane Field

Action Taken:

On November 28, 2024, I was notified that Akron Police Officers were involved in a critical incident near Miller South, 1055 East Av. I later responded to the scene.

ARREST

ARREST

Upon arrival I spoke with Capt. Beitzel (1068) who briefed me on the incident.

Officers Fields and Loar were sitting in their patrol car behind the Antioch Babbist Church, 670 Vernon Odom Blvd. While behind the church, they heard gunshots that came from their southwest. They got out on foot to investigate. While investigating, they came across a male, who fled from them on foot in front of Miller South. Officer Fields used force against the male to affect his arrest. The male, who remained unidentified, later died at Cleveland Clinic Akron General (CCAG).

Sgt. Farr (1452) briefly walked me through the scene. I observed Officer Fields and Loar's cruiser parked behind 670 Vernon Odom Blvd. In front of Miller South, approximately 25 yards past the front driveway entrance, I observed spent 5.56/.223 shell casings. Sgt. Farr walked me down into a parking lot of Miller South, northeast of the school near the dumpsters, where two spent 9mm casings were located.

I was informed that Miller South did not have any external surveillance cameras. There was an external surveillance camera on 1074 East Av, directly across the street was where the use of force occurred. Responding officers knocked on the door but were unable to contact any residents.

I met with Special Agent Jon Lieber who would be handling the use of force investigation on behalf of BCI. I informed him of what I knew at that point.

At the station I reviewed the body worn camera (BWC) of Ofc. Fields and Ofc. Loar.

Later, while reviewing Ofc. Shaffer's BWC, you can see an officer remove a loaded firearm from the suspect's pocket.

The firearm was later collected by BCI and found to be a 9mm Taurus G2C (AEB092621).

ARREST

ARREST

I contacted the Summit County Medical Examiner's Office. At that point, they still had been unable to identify the suspect.

On November 29, 2024, Det. Sutton (1076) called me. He informed me that Jazmir Tucker's family had called him, questioning if Tucker could be the unidentified suspect. Det. Sutton was familiar with Tucker and later identified him.

Det. Sutton and I later made the notification of Tucker's passing to his mother, Ashley Green, while accompanied by an advocate from the Victim Assistance Program.

On December 3, 2024, I looked up prior calls at 1074 East Av. A surveillance camera was located on the front of the home, directly across from the use of force incident at 1055 East Av. I was able to identify Israel Turner as a prior caller from the address.

I called Turner who denied living at 1074 East Av. any longer, but gave me two numbers of who would have control of the camera. The numbers he provided were [REDACTED]

I called [REDACTED] and spoke with a woman, presumably Bonnie Groves. Groves informed me that her mother lived at 1074 East Av., and she was aware that BCI had left a door hanger asking to be called. Groves said that the camera we noticed was functional but only captured her mother's driveway, not the front of the school. She had looked at the footage previously and said the only thing it captured around the time of the incident was police lights in the area.

I asked if I could meet with Groves to view the camera angles myself and she said she could send me what she had. I provided her with my city cell phone number, and she agreed to text me. Despite this, she never texted me the angles.

ARREST

ARREST

On December 4, 2024, I was notified that the firearm recovered from Tucker NIBIN hit to two other Akron Police Department incidents, reference reports, 23-136790 and 24-140334.

23-136790 occurred on November 28, 2023 near Bisson Av./Belleflower Rd. During the incident, Alexander Parson and Jordan Parson were involved in a shootout with three unknown males. Both Parsons were later charged with Discharging Over a Roadway. The three unknown suspects that shot at the Parsons were never identified.

I reviewed the surveillance footage that captured the three unknown males that were involved. They all appeared to be younger teenagers, but they were all completely covered, including wearing masks, making identifying them nearly impossible.

24-140334 stemmed from an incident at 1877 12th St. SW on November 24, 2024.

The case remains under investigation and at the time of this report.

On December 9, 2024, I was notified that the gun found on Tucker NIBIN hit to the spent 9mm shell casings found near Miller South. This is the same location that officers heard the initial gunshots come from that caused them to investigate the incident.

Follow Up Needed: None.

Witness(es)
Needed for Court: None.

Additional Clearances: None known.
