Bureau of Criminal Investigation
Investigative Report

2026-2933
Officer Involved Critical Incident - 5193 Robinhood Drive, Willoughby, Ohio 44094 Lake County (L)

Investigative Activity:	Video Review
Involves:	[redacted] (W)
Activity Date:	08/19/2026
Activity Location:	BCI - Richfield
Authoring Agent:	**SA Allison Fletcher**

Narrative:

On August 1, 2026, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Daniel Boerner received a copy of the cellphone video that was captured by [redacted] of the shooting incident that occurred on July 31, 2026, in Willoughby, Ohio. [redacted], Jason Green (Green).

Screenshots were taken of relevant moments in the video recording. The screenshots and cellphone video recording have been saved to Axon Justice as Reference Item D.

The cellphone video recording captured the shooting incident and included percussive sounds. Though the percussive sounds cannot be scientifically proven, based on the totality of investigation, the percussive sounds will be identified as gunfire.

On August 19, 2026, SA Allison Fletcher (Fletcher) began reviewing the cellphone video recording and noted the following:

IMG_7937.mov

One video file was provided by [redacted]. The video was recorded from the area across the street from 5201 Robinhood Drive (house directly adjacent to 5193 Robinhood Drive). The approximate location of [redacted] has been depicted on the map below.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

The video was 7 minutes and 16 seconds in length and showed the driveway of 5193 Robinhood Drive and the front yard of 5201 Robinhood Drive. Green can be observed in the driveway of 5193 Robinhood Driveway with a flashlight illuminating him at the beginning of the video. The residential area appeared to be dark with some illumination likely from streetlights. The details most relevant to this investigation have been included below.

- At 00:01, Green could be observed bending over in the driveway. He appeared to be picking something up from the ground. This was likely the moment after Willoughby Police Department (WPD) [redacted] deployed his taser. Green appeared to pick up the taser probes/wires and toss them away from him.
- WPD [redacted] and [redacted] could be observed with their firearms drawn and pointed towards Green in the front yard of 5201 Robinhood Drive. Both officers also appeared to use a flashlight to illuminate Green (likely flashlights affixed to their handguns).

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

- At 00:17, Green began walking towards officers; the officers continued to face Green and began walking backwards with their firearms and illuminated flashlights pointed towards Green (*Figure 2*).
- As Green began approaching officers, a large thin and pointed object could be observed in Green's right hand. This was likely the large kitchen knife as described by officers during their interviews (*Figure 3*).
- Officers could be heard continuously stating, "drop the knife" as Green continued to approach them.
- At 00:23, Green continued to approach officers with the knife in his hand. Officers continued to walk backwards through the front yard of 5201 Robinhood Drive while simultaneously giving commands for Green to "drop the knife" (*Figure 4*).
- At 00:24, the first gunshot could be heard, and a light grey cloud could be observed in front of one of the officers' firearms (*Figure 5*). A second gunshot could be heard a moment after the first. Based on muzzle flash, it appeared that the first two gunshots came from the officer standing closest to the residence.
- At 00:25, a small grey cloud could be observed in front of the second officers' firearm and Green could be observed bending over/beginning to fall to the ground (Figure 6). A second gunshot was heard a moment later (4 gunshots total between officers).
- At 00:26, Green could be observed lying on his back in the grass. Both officers remained in their position with their firearms drawn and pointed towards Green (*Figure 7*).
- At 00:33, officers continued to remain at a distance from Green with their firearms drawn and pointed towards Green. The officers could also be heard stating "drop the knife" multiple times. Sirens could also be heard in the background.
- At 00:56, officers began slowly approaching Green.
- At 01:04, an officer could be observed bending over near Green. This was likely the moment that the officers moved the knives away from Green.
- At 01:06, a police cruiser could be observed pulling up in front of the residence and blocking the camera view.
- [redacted] appeared to move her position and Green could again be observed lying on his back in the front yard with officers standing near him.
- At 01:29, an officer could be observed handcuffing Green and patting him down.
- The remainder of the video included the rendering of medical aid by officers and EMS personnel to Green and scene management.
