

The building is a long, low-profile structure with white horizontal siding. On the left side, there are three large windows with white frames. The interior is lit up, showing a cluttered room with various items on shelves and tables. To the right of the windows is a dark-colored door with a small window. Further right, there is a set of stairs with a white railing leading up to a dark-colored section of the building. The ground in front of the building is covered with fallen leaves and some weeds.

A wooden table with four legs is positioned on the porch area. It is surrounded by some debris and a small white container.

A set of stairs with a white railing leading up to a dark-colored section of the building. The stairs are made of wood and have a simple railing design.

A wooden desk and chair set is positioned in the foreground on the right. The desk has two drawers and a chair is attached to it. There are some papers and other items on the desk.

A yellow ladder is leaning against the building. It is a simple A-frame step ladder.

A green bucket is visible near the stairs. It has some text on it, including the word "MENARD".

A white, curved object, possibly a piece of fabric or a mat, is lying on the ground in the foreground.

A purple string or garland is lying on the ground in the foreground.
