2024-3257

Officer Involved Critical Incident - 200 Cline Avenue,  
Mansfield, Ohio 44907

**Investigative Activity:** Cellular Phone Extraction and Analysis  
**Involves:** Kimalee Walker (O), Erin Brooks (O)  
**Activity Date:** 10/30/2024  
**Activity Location:** BCI – Richfield, 4055 Highlander Parkway, Richfield, OH  
**Authoring Agent:** SA Jesse Bynum #179

**Narrative:**

On October 19, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Jesse Bynum (Bynum) obtained written consent to search the contents of the cellular telephone owned/used by Kimalee Walker (Walker) and the cellular telephone owned/used by Erin Brooks (Brooks). The purpose of this search was to locate any evidence or other information related to the Officer Involved Critical Incident (OICI) that occurred at 200 Cline Avenue, Mansfield, Ohio on October 19, 2024. The signed consent forms for each of the telephones are attached to this report.

SA Bynum and Mansfield Detective Larry Schacherer (Schacherer) transported the telephones to the Mansfield Police Department while other members of BCI remained on the scene. Brooks and Walker were provided with SA Bynum's phone number should they wish to withdraw consent. Mansfield Police Department Forensic Investigator Jerry Botdorf received the telephones and began the data extraction process. Once the extraction was complete, the telephones were transported back to their owners and a receipt was signed that is attached to this report.

SA John Tingley picked up the extraction and Cellebrite Reader reports from Mansfield and they were uploaded into the electronic case file as Reference Item B – Cellular Telephones. SA Bynum used a working copy of each of the files and conducted an analysis noting the following information about each of the telephones:

The cellular telephone possessed by Walker was a pink Apple iPhone 15 Plus with identifiers indicating that the phone was being used by Walker to include email address, usernames, and device name. A review of the Call Log from October 19, 2024, showed that Walker spoke with a person saved in her contacts as "Leeann Brooks" and a person saved in her contacts as "Shane". It is known from a previous interview that "Leeann Brooks" is Erin Brooks and "Shane" is Michael Oswalt (Oswalt).

The cellular telephone possessed by Brooks was a black Motorola G Power (2022) with identifiers indicating that the phone was being used by Brooks to include email address and usernames. A review of the Call Log from October 19, 2024, showed that Brooks spoke with a person saved in her contacts as "Kimalee". The analysis of Brooks' telephone confirmed that there were no other messages retained by her device and not on Walker's. It also contained the messages listed above and the same call logs.

Nothing further of evidentiary value was noted on either Brooks' or Walker's cellular telephones. The original extraction along with the Cellebrite Reports are maintained as Reference Item B if further information is needed.
