Court Case # CR-_____

The Affiant, Officer Eric Fleming , being first sworn, says there is probable cause to believe the defendant, Patrick Ray Foley , committed an offense based on the summary of facts below:

On 08/16/2017 at approximately 0706 hrs Officer Hollbrook, E. Peabody and I were dispatched to the area of Klobdenz Ave. and N. Bechtle Ave. reference a male that was slumped over the wheel of a pick-up truck in the intersection. Upon arrival we located the 1997 white Ford F150 (OH GPT3189)in the intersection. The male was identified as the defendant, Patrick Foley. Medics were checking Mr. Foley out for any injuries or symptoms of an overdose. While they were checking Mr. Foley, Officer Hollbrook ran him for warrants and found him to have several outstanding warrants through the City, County and Madison County.

After Medics cleared Mr. Foley we went up to the vehicle where he was sitting in the driver seat with the vehicle turned off. I removed an aluminum baseball bat that was under his feet on the floor board. Officer Hollbrook advised him that he needed to step out of the vehicle he was under arrest for his warrants. He refused to move an was told again to step out of the vehicle. He continued to sit there. At this time I grabbed his left arm and again advised him to step down he did not move. I began to pull on his arm and he pulled away and reached up to the ignition with his right arm. I attempted to grab his right arm before he could turn the key getting it caught in the steering wheel. Officer Hollbrook attempted to push Mr. Foley away from the ignition causing him to go into the cab of the truck. Officer Peabody went to the passenger side and attempted to gain control of Mr. Foley.

Mr. Foley was able to quickly start the vehicle and place it in drive in one movement as he began pushing the gas with his foot. the tires began to spin an the truck began to move forward dragging my feet across the ground. Officer Hollbrook was able to quickly force the gear shift in park. The truck traveled approximately 10 feet before coming to a stop in the middle of a busy Northbound lane on N. Bechtle Ave. Mr. Foley was placed into custody and taken to a Patrol vehicle.

Mr. Foley had no regard for officers lives and only wanted to get away from having to go to jail on his warrants. His only response after he was under arrest was that he was sorry he wasn't thinking.

SFD Medic 5 was standing behind us at the time of the incident and witnessed the entire event. The Medics were Dave Michem, Michael Newkirk and Clay Atkins.

The truck was Police Towed and Mr. Foley was transported to Police Headquarters. He was charged with three counts of Felonious Assault (17-38202 Peabody, 17-38205 Hollbrook and 17-38205 Fleming). He was also served warrants for DUS, Headlights, Seatbelt,Resisting Arrest, Obstructing Official Business, Hit Skip, Stop Sign, Assault, Criminal Damaging and Fugitive Contiguous (Madison County) for Probation Violation and DUS.

Mr. Foley was placed in jail. DNA was collected for the Ohio Offender Database.

Court Case # CR-_____

The Affiant, Officer Schaefer , being first sworn, says there is probable cause to believe the defendant, Patrick Ray Foley , committed an offense based on the summary of facts below:

On 11-28-2021 at 0800hrs Officer Kings and I (Officer A Schaefer) were dispatched to the intersection of E Grand Ave and S Limestone St in reference to a male passed out in the driver's seat of the vehicle at the intersection.

Upon arrival I approached the scene and noticed at blue Chevy Cobalt at the red light not moving. Upon approaching the vehicle I saw a male with his head tilted back appearing to be asleep at the wheel of the car. I knocked on the window several times and the male finally woke up. He opened the door and identified himself as Patrick Foley. Mr. Foley stated he was extremely tired and was just trying to get home from taking his girlfriend to work.

I then ran Mr. Foley through dispatch to check for warrants. After running his name Mr. Foley shifted the car into drive and sped off westbound on Grand Ave. I then advised dispatch that Mr. Foley had fled the scene, at which time dispatch did advised me that Mr. Foley had 2 active warrants out of Clark County. Dispatch also advised that Mr. Foley's last known address was 234 Parkwood Ave. Officer King then located the vehicle a few minutes later to the rear of 234 Parkwood Ave.

I arrived at 234 Parkwood Ave to assist Officer King in searching for Mr. Foley a few minutes later. Officers then checked the car and Mr. Foley was not in it at this time. While checking the car Officers did hear noise coming from a black dodge pickup parked behind the same address just in front of the suspect vehicle. Officers then approached the truck and saw from the outside that Mr. Foley was sitting in the rear passenger side seat. I knocked on the window and ordered Mr. Foley out of the truck to which he complied, at which time he was taken into custody without issue.

Upon searching Mr. Foley's person I Found a glass pipe with black residue on the inside, in his front left pocket rolled up in a paper towel. The pipe was taken and later submitted into evidence.

Patrick Foley is charged with Obstructing Official Business and Possession of Drug Paraphernalia.

Court Case # CR-_____

The Affiant, Detective Joshua Haytas , being first sworn, says there is probable cause to believe the defendant, Patrick Ray Foley , committed an offense based on the summary of facts below:

Officer Devore's Report Narrative:

On 11-1-2023 at 1330 hours, I received a call at Springfield Police Headquarters from Tina Vititoe who is manager of Speedway 405 S. Burnett Rd.

Ms. Vititoe reported that on 11-1-2023 at 1259 hours, a white male entered the store with a gray hooded sweatshirt with a "Reebok" on the front. He was wearing a yellow hooded sweatshirt under neath the other and had dark scruffy facial hair. The male took 6 pairs of gloves and left the store without paying passing all points of sale. The male then got into a white Jeep Liberty with unknown plate and left the area. Video was picked up by Officer Green.

The suspect is unknown, no charges have been filed.
==========

Detective Joshua J. Haytas was assigned to investigate the incident and reviewed the video that was submitted. The video showed Patrick Ray Foley enter the store at 01:00:25pm and he walks back to the shelf where work gloves are displayed for sale. He then selects some gloves, walks around to the end cap and conceals them on his person. Employee was in the same back aisle area and observed him conceal the gloves and then walk out (at 01:02:53pm) without even attempting to pay for them.

At the time of the incident Patrick Ray Foley was not known but came back into the store on 11/03/23. Manager Tina Vititoe recognized him for this incident and told him to get out of the store which he did. Another customer that was there informed her that his name was Patrick Foley so she passed that information on to Detective J. Haytas. Detective J. Haytas used police records and BMV photos to verify his identity.

Cameras 6,9,11,20,25 and 26 best show the incident.

A warrant is being requested on Patrick Ray Foley for one count of Theft.

Court Case # CR-_____

The Affiant, Detective K Miller , being first sworn, says there is probable cause to believe the defendant, Patrick Ray Foley , committed an offense based on the summary of facts below:

On Tuesday September 16th, 2025 at approximately 1130 hours an Officer of the Springfield Police Division was conducting traffic enforcement about the city. The Officer was parked on the east side of the road next to 1322 S. Limestone Street, facing west, in a fully marked police vehicle while in the official police uniform.

The Officer checked the speed of a silver Ford F250 that was traveling northbound on S. Limestone Street from E. John Street. This Ford would later be discovered to be bearing Ohio temporary registration, T854050. The operator would later be identified as Patrick Foley. The Officer made note that the LIDAR clocked the speed of the truck at 62 mph in a posted 35 mph zone from 813 feet.

A traffic stop was then initiated by activating the patrol vehicle's overhead lights as the Ford passed. The Ford was originally in the curb lane, heading north, but then got into the far left lane. The Officer got behind the Ford and continued to attempt the traffic stop. The Ford truck turned westbound onto Southern Ave. and the Officer activated their siren, and Patrick continued to drive westbound, failing to stop. The Officer observed that the truck continue without stopping, passing two posted stop signs. At this time the Officer deactivated their overhead lights and discontinued the traffic stop.

The Ford truck then turn northbound onto an unknown road at which time the Officer did the same in an attempt to relocate the truck. While checking the area the truck was relocated parked on the east curb facing north in front of 522 S. Isabella St. The operator of the vehicle, Patrick Foley, was exiting the vehicle at that time.

The Officer made a U-turn on W. Pleasant St. near S. Isabella St. to get to the truck. While pulling up to the vehicle Patrick started walking away quickly. The Officer gave Patrick orders to stop. As he approached Patrick, Patrick jumped a fence and fled on foot to the southeast. Patrick would double back in the yard of 532 S. Isabella Street, heading north, before jumping the fence, causing him to stumble. Patrick got up and attempted to again flee on foot down an alley to the east. At this time the Officer deployed their Taser at which time Patrick fell forward to the ground in the alley way. While placing Patrick into handcuffs, Patrick's right hand contained a baggy holding a white rock like substance and US Currency. When Patrick was rolled over the Officer observed Patrick to have a facial injury and requested Medics. Other Officers arrived on scene and determined due to the distance of Medics they would transport Patrick to SRMC for treatment in a police van.

Patrick was found to not a have a valid Ohio Operators License.

Patrick was transported to SRMC and later to Miami Valley Hospital for injuries he sustained while fleeing the traffic stop.

I, Detective Kevin Miller, contacted the registered owner of the vehicle regarding its status. The registered owner advised the vehicle was being worked on due to it being inoperable and was not permitted to be driven by anyone.

The Ohio Bureau of Criminal Investigation (BCI) was contacted to assist with the crime scene processing and investigation.

The Ford truck was towed and with a search warrant granted it was searched. Upon searching the vehicle Officers located a digital scale, plastic bags, several bags of suspected marijuana, bags of white powder substance, a bag of hard white substance, a suspected drug pipe, a prescription bottle with another person's name containing multiple prescription pills, and a cell phone.

A search warrant was granted to access the cell phone. Upon accessing the device there were multiple messages with Patrick discussing the location of meet-ups, prices, and amounts of prescription drugs, and "hardball" (street name for crack cocaine). Other activity also consistent with drug trafficking. The device was confirmed to be Patricks based on his Icloud information, photos of him, and people conversating with him and reaching out to "Pat".

Warrants are being requested for Patrick R. Foley for Unlawful use of a Motor Vehicle, Obstructing Official Business, Failure to Comply, Speed, and No Operators License. Additional charges regarding drug evidence are pending BCI testing and presentation to the Clark County Grand Jury.

IMPAIRED DRIVER REPORT

NAME	INCIDENT NUMBER	CRASH NUMBER
Patrick Foley	P22052800010523	

Your Honor,

On May 28, 2022 at approximately 9:48 PM, I was traveling southbound on Fountain Avenue in the City of Springfield, Ohio. While on patrol, I was traveling behind a black pick-up truck without its tail lights activated. I activated my overhead emergency lights to make a traffic stop. The vehicle stopped at the stop sign on Fountain Avenue and Grand Avenue. The vehicle turned right onto Grand Avenue without using its turn signal. I activated my sirens and the vehicle continued to travel westbound. The vehicle stopped at the stop sign on Grand Avenue and Center Street. The vehicle continued westbound and did not make a complete stop at a stop sign on Grand Avenue and Wittenberg Avenue. The vehicle continued to travel westbound at approximately 43 MPH. The vehicle made a left turn onto Plum Street without using its turn signal and did not make a complete stop at a stop sign. The vehicle slowed down to 15 MPH southbound on Plum Street. I observed the vehicle's speed was inconsistent by decelerating and accelerating. I observed the vehicle jerk while accelerating. The vehicle made a left turn onto Perrin Avenue without using its turn signal and quickly accelerated. The vehicle made a right turn onto Lowery Avenue without using its turn signal. I observed the driver's side door open while the vehicle was still moving. The vehicle stopped and my patrol vehicle struck the rear of the vehicle due not to putting it park.

The driver who was found to be Patrick Foley, immediately exited the vehicle and ran southbound on Lowery Avenue. I advised Mr. Foley to stop and pursued him on foot. Mr. Foley fell and I grabbed him. I advised Mr. Foley to stop and he attempted to keep running. I assisted Mr. Foley to the ground. I observed Mr. Foley crawl and put something in the sewer. I placed Mr. Foley in handcuffs and advised him of his Miranda Rights. As I was walking Mr. Foley to my patrol vehicle he stated, "Got damn. I'm stupid." I observed Mr. Foley's muscle tone was rigid. I advised Mr. Foley the reason why I stopped him. Mr. Foley was aware of his taillights were not operating properly. Mr. Foley stated "I knew that fucking light, dude." Also, Mr. Foley stated "I'm sorry. I'm dumb as fuck." I asked Mr. Foley what did he put in the sewer. Mr. Foley stated he put his crack pipe in the sewer. I asked Mr. Foley did he have any injuries. Mr. Foley stated that he did not have any injuries and did not need any medical attention. I observed Mr. Foley was sweating heavily. Mr. Foley was searched and placed in the backseat of the vehicle. I asked Mr. Foley why did he run and failed to comply with my lights and sirens. Mr. Foley stated he had a warrant. I observed Mr. Foley to be restless in the backseat of the vehicle and continued to sweat heavily. Mr. Foley was on the nod in the backseat of the vehicle.

I administered a vehicle inventory and began completing a crash report. Buckeye's Towing arrived on the scene and towed the vehicle. Mr. Foley was transported to Springfield Highway Patrol Post. Prior to our arrival, I asked Mr. Foley what did he put in the sewer. Mr. Foley stated a crack pipe. I asked Mr. Foley if he uses crack. Mr. Foley stated "Yeah unfortunately, not all the time. But it just happens I had one tonight." I asked Mr. Foley when was the last time he used

A SAFER OHIO

crack. Mr. Foley stated "If I had it on me that mean I did it today." Mr. Foley stated he ran because he did not want to go to jail. Mr. Foley continued to appear restless and irritated.

Once we arrived to the Springfield Highway Post, I asked Mr. Foley where he was coming from. Mr. Foley stated he was coming from work and going home. I advised Mr. Foley the reason for the stop. Mr. Foley stated he been having problems with his taillights. Mr. Foley stated his foot was hurt and was not on medication. I administered Standardized Field Sobriety Tests. Mr. Foley did not have the presence of resting nystagmus. His eyes tracked equally and his pupils were equal in size. I observed Mr. Foley's eyes to be glassy. During horizontal gaze nystagmus, I did not observe any nystagmus. During the test, I observed eyelid tremors.

Mr. Foley stated he was comfortable with completing the walk and turn and one-leg stand test. I observed exaggerated reflexes from Mr. Foley. I gave Mr. Foley the instructions for the walk and turn test. Mr. Foley stated that he understood the instructions for the test. While in the starting position, Mr. Foley broke his stance by stepping to his right with his right foot. I observed Mr. Foley sway side to side and used his arms for balance in the starting position. On the first set of nine steps, Mr. Foley stopped while walking on step 6. Mr. Foley took an improper turn by not taking a smaller series of steps. On the second set of nine steps, Mr. Foley stopped walking during the test on step 4. During the test, I observed body tremors.

I gave Mr. Foley the instructions for the one-leg stand test. Mr. Foley stated he understood the instructions. Mr. Foley balanced on the right leg. Mr. Foley swayed side to side and used his arms for balance. I observed Mr. Foley put his leg down.

I advised Mr. Foley was under arrest for OVI. Mr. Foley refused to submit a urine test. Mr. Foley was booked into Clark County Jail. Mr. Foley was issued a citation for OVI, driving under suspension, and taillight violation.

Respectfully,

Tpr. K. Huguely U-0632

IMPAIRED DRIVER REPORT

NAME	INCIDENT NUMBER	CRASH NUMBER
Patrick Foley	P22052800010523	

Your Honor,

On May 28, 2022 at approximately 9:48 PM, I was traveling southbound on Fountain Avenue in the City of Springfield, Ohio. While on patrol, I was traveling behind a black pick-up truck without its tail lights activated. I activated my overhead emergency lights to make a traffic stop. The vehicle stopped at the stop sign on Fountain Avenue and Grand Avenue. The vehicle turned right onto Grand Avenue without using its turn signal. I activated my sirens and the vehicle continued to travel westbound. The vehicle stopped at the stop sign on Grand Avenue and Center Street. The vehicle continued westbound and did not make a complete stop at a stop sign on Grand Avenue and Wittenberg Avenue. The vehicle continued to travel westbound at approximately 43 MPH. The vehicle made a left turn onto Plum Street without using its turn signal and did not make a complete stop at a stop sign. The vehicle slowed down to 15 MPH southbound on Plum Street. I observed the vehicle's speed was inconsistent by decelerating and accelerating. I observed the vehicle jerk while accelerating. The vehicle made a left turn onto Perrin Avenue without using its turn signal and quickly accelerated. The vehicle made a right turn onto Lowery Avenue without using its turn signal. I observed the driver's side door open while the vehicle was still moving. The vehicle stopped and my patrol vehicle struck the rear of the vehicle due not to putting it park.

The driver who was found to be Patrick Foley, immediately exited the vehicle and ran southbound on Lowery Avenue. I advised Mr. Foley to stop and pursued him on foot. Mr. Foley fell and I grabbed him. I advised Mr. Foley to stop and he attempted to keep running. I assisted Mr. Foley to the ground. I observed Mr. Foley crawl and put something in the sewer. I placed Mr. Foley in handcuffs and advised him of his Miranda Rights. As I was walking Mr. Foley to my patrol vehicle he stated, "Got damn. I'm stupid." I observed Mr. Foley's muscle tone was rigid. I advised Mr. Foley the reason why I stopped him. Mr. Foley was aware of his taillights were not operating properly. Mr. Foley stated "I knew that fucking light, dude." Also, Mr. Foley stated "I'm sorry. I'm dumb as fuck." I asked Mr. Foley what did he put in the sewer. Mr. Foley stated he put his crack pipe in the sewer. I asked Mr. Foley did he have any injuries. Mr. Foley stated that he did not have any injuries and did not need any medical attention. I observed Mr. Foley was sweating heavily. Mr. Foley was searched and placed in the backseat of the vehicle. I asked Mr. Foley why did he run and failed to comply with my lights and sirens. Mr. Foley stated he had a warrant. I observed Mr. Foley to be restless in the backseat of the vehicle and continued to sweat heavily. Mr. Foley was on the nod in the backseat of the vehicle.

I administered a vehicle inventory and began completing a crash report. Buckeye's Towing arrived on the scene and towed the vehicle. Mr. Foley was transported to Springfield Highway Patrol Post. Prior to our arrival, I asked Mr. Foley what did he put in the sewer. Mr. Foley stated a crack pipe. I asked Mr. Foley if he uses crack. Mr. Foley stated "Yeah unfortunately, not all the time. But it just happens I had one tonight." I asked Mr. Foley when was the last time he used

crack. Mr. Foley stated "If I had it on me that mean I did it today." Mr. Foley stated he ran because he did not want to go to jail. Mr. Foley continued to appear restless and irritated.

Once we arrived to the Springfield Highway Post, I asked Mr. Foley where he was coming from. Mr. Foley stated he was coming from work and going home. I advised Mr. Foley the reason for the stop. Mr. Foley stated he been having problems with his taillights. Mr. Foley stated his foot was hurt and was not on medication. I administered Standardized Field Sobriety Tests. Mr. Foley did not have the presence of resting nystagmus. His eyes tracked equally and his pupils were equal in size. I observed Mr. Foley's eyes to be glassy. During horizontal gaze nystagmus, I did not observe any nystagmus. During the test, I observed eyelid tremors.

Mr. Foley stated he was comfortable with completing the walk and turn and one-leg stand test. I observed exaggerated reflexes from Mr. Foley. I gave Mr. Foley the instructions for the walk and turn test. Mr. Foley stated that he understood the instructions for the test. While in the starting position, Mr. Foley broke his stance by stepping to his right with his right foot. I observed Mr. Foley sway side to side and used his arms for balance in the starting position. On the first set of nine steps, Mr. Foley stopped while walking on step 6. Mr. Foley took an improper turn by not taking a smaller series of steps. On the second set of nine steps, Mr. Foley stopped walking during the test on step 4. During the test, I observed body tremors.

I gave Mr. Foley the instructions for the one-leg stand test. Mr. Foley stated he understood the instructions. Mr. Foley balanced on the right leg. Mr. Foley swayed side to side and used his arms for balance. I observed Mr. Foley put his leg down.

I advised Mr. Foley was under arrest for OVI. Mr. Foley refused to submit a urine test. Mr. Foley was booked into Clark County Jail. Mr. Foley was issued a citation for OVI, driving under suspension, and taillight violation.

Respectfully,

Tpr. K. Huguely U-0632

Court Case # CR-_____

The Affiant, Deputy George Bennett Jr , being first sworn, says there is probable cause to bclieve the defendant, Patrick Ray Foley , committed an offense based on the summary of facts below:

On June 2nd, 2022 at 1010 hours both Deputies Bennett and Tillman were advised in person by a Clark County Solid Waste employee, Dakota Key, that a Clark County inmate had fled his assigned work area to escape detainment. The reportee/ witness Dakota Key advised this subject jumped an 8 foot chain link fence and ran towards the train tracks off of the property. Deputy Tillman and myself went to their assigned worked area to complete a headcount and to see which inmate we would be looking for and discovered inmate Patrick Foley was the inmates that had escaped. Immediately both deputies started patrolling the surrounding area checking the local gas stations. While traveling eastbound on Columbia both Deputy Tillman and myself seen inmate Foley walking eastbound on the sidewalk with his jail uniform shirt missing from where he peeled it off as he fled his work assignment. As I drove closer to inmate Foley I pulled up onto the sidewalk to eliminate his escape from running away. Deputy Tillman attempted to exit the passenger side of the cruiser where inmate Foley turned to take off running and they made contact with one another, but inmate Patrick Foley slid out of Deputy Tillman's grasp as Deputy Tillman feel to the ground allowing inmate Foley a chance to flee from the scene. Deputy Tillman got to his feet and continued to chase Foley across Columbia St. where Deputy Tillman attempted to catch Foley again prior to his second fall. I myself tried to catch Patrick Foley as I got out of the cruiser But he turned and made an attempt to cross the roadway after he had ducted Deputy Tillman's grasp both times. As we ran north bound across the roadways headed towards a residential area I drew my Taser and gave orders to stop or be tased. Inmate Patrick Foley continued running towards the houses where I then un holstered my taser and deployed a single taser shot striking inmate Foley in the back. This immediately brought the foot chase to a stop and inmate Patrick Foley was placed in custody. Sergeant Stalder was requested on scene and photographed the taser probes in inmates Patrick Foley back. I then attempted to remove the probes with no luck due to them being securely lodged in the skin. There both Deputy Tillman and myself transported inmate Patrick Foley to the nurses station inside the Clark County Jail to have the probes removes by the jail nursing staff. The jail nursing was able to remove the probes so inmate Patrick Foley was the taken to the Springfield Regional hospital where they had to numb the area of the probes to remove them. Patrick Foley was then taken back to the Clark County Jail where he was removed from the PRIDE program and is being charged criminally with 2921.34A Escape and given a court date for June 7th, 2022 at 1030 hours.

Officer Devore's Report Narrative:

On 11-1-2023 at 1330 hours, I received a call at Springfield Police Headquarters from is r of Speedway 405 S. Burnett Rd.

reported that on 11-1-2023 at 1259 hours, a white male entered the store with a gray hooded sweatshirt with a "Reebok" on the front. He was wearing a yellow hooded sweatshirt under neath the other and had dark scruffy facial hair. The male took 6 pairs of gloves and left the store without paying passing all points of sale. The male then got into a white Jeep Liberty with unknown plate and left the area. Video was picked up by Officer Green.

The suspect is unknown, no charges have been filed._
==========

Detective Joshua J. Haytas was assigned to investigate the incident and reviewed the video that was submitted. The video showed Patrick Ray Foley enter the store at 01:00:25pm and he walks back to the shelf where work gloves are displayed for sale. He then selects some gloves, walks around to the end cap and conceals them on his person. Employee was in the same back aisle area and observed him conceal the gloves and then walk out (at 01:02:53pm) without even attempting to pay for them.

At the time of the incident Patrick Ray Foley was not known but came back into the store on 11/03/23. recognized him for this incident and told him to get out of the store which he did. Another customer that was there informed her that his name was Patrick Foley so she passed that information on to Detective J. Haytas. Detective J. Haytas used police records and BMV photos to verify his identity.

Cameras 6,9,11,20,25 and 26 best show the incident.

All you Gotta do is believe in yourself and make things happen. Can't depend on anybody else but yourself and eventually you'll make it. 💯 hard work pays off!!

Please come support Pat Foley help in bringing him justice! Be the voice he needs. #WeThePeople need to come together! This is our city these are our people! Police are to serve and protect. Please even if you dont know Pat please come and support him and stand up for him! We need to let the springfield police know we are not okay with this and the officer needs fired and charged. Please. And just because you dont know him, remember this could of been anyone and NOONE deserves what Pat went through. #JusticeForPat
