so you are on time for the 1300 training.

Dear Canine Evaluator:

Enclosed please find your current canine evaluator certificate(s). Please note all approved areas of certification are listed accordingly on the back of your certificate.

Please check to make certain that the information on the certificate is correct. The Ohio Administrative Code, Chapter 109:2-7-04(D) provides that a canine evaluator shall renew his/her certificate every three (3) years. Requests for renewal should be filed at least 60 days and no more than 90 days prior to the expiration date of the certificate. Renewal requirements include documentation that the evaluator has conducted, within the three-year period, at least two separately numbered evaluations in each area for which the evaluator is approved for certification and documentation of completion of eighteen (18) hours of additional training in canine-related topics.

The most current canine forms are now available on the Attorney General's website at $\underline{www.ohioattorneygeneral.gov}$.

Please contact our office at 740-845-2700 for any questions regarding the canine program.

Thank you.

Office of the Chief Marion Police Department 233 W. Center Street Marion Ohio 43302

Sir,

On 21 January 2014 I had the sad duty of attending the funeral of my friend, second father, and mentor Gale E. Rollison, a man I have known since 1961.

As I am sure you already know Gale was a retired member of the Marion Police Department and an asset to the City of Marion.

As an active duty Police Officer I took great pride in seeing the seven uniformed officer from your department volunteering their time to serve a pallbearer for Gale.

I was negligent in not obtaining their names at the time, but would like to pass on a thank you, through your office, to them for this act of kindness and brotherhood.

As I looked at these officers it struck me that none of them were on your department when Gale retired in 1979. This however did not stop them from giving of their time to assist in this funeral.

It is my request that you pass this thank you on to these officers for me.

Respectfully,

Detective Ronald R. Packer Mansfield Police Department Major Crimes Unit

Chief McDonald,

This is my letter of interest for the position of K-9 Handler,

In my time at the Marion Police Department, and especially since being part of the K-9 unit, I have spoken to several groups including several organizations outside of Marion. While doing this, I have maintained my uniform, equipment and K9 to make the best impression possible everywhere we go. While doing this, we have gained monetary and equipment donations for our K9s. The current K-9 fundraiser was started between Jill Chitwood and myself. I am also currently working with the city administration on a county wide K-9 memorial that will be constructed at city hall.

I continued to maintain my physical well being by working out and recently started Jiu Jitstu training to help with physical conditioning as well as increasing my subject control knowledge.

My emotional stability and maturity has been demonstrated by the way I have handled SRT and K9 call outs over the past 9 years, both, as a supervisor and team member on SRT and K9. Those events also show my judgement and decision making ability. I am still called upon as a team leader during SRT call outs if there are multiple locations that need covered or Lt. Harris is unavailable.

I may be overly honest but I am not willing to agree to something just to get what I want. I have voiced my opinion when I think something is wrong and I will continue to do so.

I have spent the majority of my career as part of the K9 unit. I began as a decoy, where, for almost 10 years, I took personal time to assist handlers for our agency and others at K-9 trials as well as cared for K9s while handlers were out of town. After becoming a handler myself, I train every week with a training group and assist other K-9 units from across the state. I have paid out of pocket for training, purchased equipment, and spent countless hours improving and promoting our K9 unit and department.

Respectfully,

Lieutenant

Dear K-9 Handler

I would like to sincerely express my gratitude for your departmental participation in the 2016 Ohio Peace Officers' Memorial Ceremony. Your dedication provides us the opportunity to honor those law enforcement officers who made the ultimate sacrifice while serving their communities. Without the devotion and involvement of fine law enforcement men and women, this would not be possible. I was deeply moved by the support of law enforcement in giving their time and energy to this special ceremony.

Again, thank you for joining me, the Commission and Academy staff, and Ohio's law enforcement community in making the Ohio Peace Officers' Memorial Ceremony a lasting tribute to our fallen heroes and their surviving family members.

Sincerely,

With the assistance of Lt. Sterling the MCSO, Officers M. Collins, Musser, and others, executed the search warrant and recovered not only the stolen property but also drugs, \$1,122 cash and numerous other suspected stolen items. GREAT JOB!

GENERAL COMMENTS: BASIC HAD A TOUGH START AND IS STILL

ADJUSTING TO THE TRAINING ENVIRONMENT. HE NEEDS TO WORK HARD IN ALL AREAS OF TRAINING, SPECIFICALLY PHYSICAL FITNESS AND ACADEMICS. HE HAS THE LOWEST G.P.A. HE MUST ALSO WORK TO BECOME MORE OF A FORMAL LEADER IN HIS CLASS WHICH WOULD

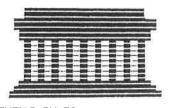

ASSIST IN HIS NEGATIVE PEER EVALUATION. HE SHOULD CONTINUE TO MAKE THE CORE VALUES A PART OF HIS

EVERYDAY LIFE.
