Once Evangelista was out of the restraint chair, CO Vanhorn said Evangelista tried to run out of the cell. CO Vanhorn and CO Talbott placed Evangelista on the back wall of the cell. As they backed out of the cell, Evangelista charged towards the door and tried to escape the cell. CO Vanhorn indicated Evangelista used his body weight to push against the cell door. CO Vanhorn stated [REDACTED] used her OC spray to get Evangelista to back away, however the OC spray did not have any effect on Evangelista. The cell door was opened enough to where Evangelista was able to be pushed away by another CO. CO Vanhorn had no other interaction with Evangelista after the cell door was secured.
