There are numerics
and verses in the Bible
from chance. It is
to be there by accident

author. Here is just a small
number of examples which have been found
In Genesis 1, God personally speaks six times
in the first two chapters of the Bible, and made
heaven and earth, and all that is within them in 6
days, and rested on the 7th day. He then blessed
and sanctified the 7th day, making it holy. This
pattern of rest, completion, and perfection.

How to Obtain Salvation

There are many people who believe in God, but who do not know how to obtain salvation. The Bible tells us that all have sinned and fall short of the glory of God, and that the wages of sin is death. However, God has provided a way of escape through the death of His Son, Jesus Christ. To obtain salvation, you must repent of your sins and believe in Jesus Christ as your Lord and Savior. This is a simple process, and it is available to everyone who desires it. If you are ready to take the first step, please contact us today. We will be glad to help you understand the way of life that leads to eternal life with God.
