**Review of 911 Recording(s):**

**911 Calls**

On May 30, 2022, SA Clar received copies of two 911 recordings that occurred at the Portage County Emergency 911 Center on May 14, 2022, involving the incident that occurred at 8643 Werger Rd., Windham Twp.

The copies of the 911 recordings were obtained and forwarded to BCI by Portage County Sheriff's Detective Trent Springer.

The prepared 911 recordings are separated as Part 1 & 2.

The received recordings are not timestamped or shown to be chronologically dated electronically. The received recordings consist of the 911 dispatcher(s) with the caller (Richard Knerem).

Note: This report summarizes information deemed by the author to be most relevant to the investigation and does not purport to contain all questions and answers from the recorded 911 dispatcher. This report was placed in a chronology to aid the reader's overall understanding of information elicited during the recorded interview and may not be reflective of the actual sequencing of questions. It is suggested that the full audio recording be reviewed to clarify any content or contextual questions regarding the information from the interview.

**Part #1**

**(Time duration is 3.11)**

Knerem states that he has called the Sheriff's Department and no one has answered.

Knerem gives his address as 8643 Werger Rd. and request the police to respond.

Knerem said that his neighbor, that they do not “get along,” is currently in his garage knocking at the door. Knerem said that he wants her removed so that no one gets hurt.

Knerem again reports that he was not able to contact the Sheriff's Department. The dispatcher gives Knerem the number “330 296 5100 ext. 9.”

Knerem asked the dispatcher if he [Knerem] should go out and “get rid of her.” The dispatcher advises Knerem that she will send “one of her guys out.”

Knerem replies by informing the dispatcher, "They better hurry up."

The dispatcher asked if he [Knerem] knows the subject's name. Knerem responds saying her first name is "Cora" and her last name starts with a "B." Knerem continues to explain that the subject resides in the trailer next to his house.

The dispatcher asked Knerem if the subject is still trying to gain entry. Knerem responds by saying, "Yes."

Dispatcher informs Knerem that officers are responding.

**Part #2**

**(Time duration 11.29 minutes)**

Knerem informs the 911 dispatcher that he had just called in a short time earlier. Knerem says, "My neighbor has a gun and she is in my garage, pointing it at me."

Knerem goes on to state, "I have the right to go shoot her."

The dispatcher responds by saying, "No."

Knerem then said to the dispatcher that the subject is threatening him. The dispatcher confirms that officers are en route.

Knerem again said to the dispatcher that the subject has a gun and is pointing it at him.

Knerem again confirms that the neighbor's first name is "Cora."

Knerem again confirms that the subject is in his garage and that he retreated from the garage and is in his home and has locked the door.

Knerem explains that if he confronted the subject in the garage again, then she may have to be placed in a "body bag." The dispatcher informs Knerem that he could be in, get into trouble for that behavior. Knerem proceeds to explain that the subject has a gun and is in his garage.

The dispatcher again confirms that officers are en route.

At recorded **mark 2:41**, three knocks can be heard. Knerem explains that the subject is knocking on the door.

Knerem appears to be frustrated and then informs the dispatcher that he is going to call his [Knerem] "buddy" to come over. Knerem said that his buddy can come over with his guns and get the subject from the other side.

Knerem said he was going to terminate the conversation with the dispatcher. The dispatcher advised Knerem to stay on the line.

The dispatcher informs Knerem to stay away from the door.

The dispatcher informs Knerem that Garrettsville Police are also responding and they are very close.

Knerem said he has a picture of the subject pointing the gun at him.

Knerem again told the dispatcher that he has informed the subject, who is in the garage, that she needs to remove herself from the garage and get off his property.

Knerem then said that the subject told him [Knerem] "that we need to talk."

Knerem also said that he told the subject, while in the garage, that he does not come on her property.

The dispatcher asked Knerem if he has had "issues" with the subject in the past.

Knerem said, "We did, we don't talk to her at all." Knerem goes on to explain that the septic waste from the subject's home has been dumping into his yard. Knerem goes on to say that he has filed a complaint with the county.

The dispatcher asked Knerem when was the complaint filed with the county; Knerem believes it was three weeks ago.

At recorded **mark 9:19**, Knerem said that the subject is knocking at the door again.

Knerem again asks when will the police arrive. The dispatcher explains that the officer is awaiting assistance.

Knerem informs his wife, who is in the house with him, that the officer is awaiting assistance.

Knerem then said to the dispatcher that he gives permission to the officers to enter his garage and speak with the subject.

At recorded **mark 10:50**, Knerem said that the subject is trying to gain access through the door and the door handle is moving.

Knerem is afraid the subject is going to break the window to try to gain entry.

The recorded 911 conversation is terminated at recorded **mark 11:29**.
