Narrative:

On June 6, 2022, Ohio Bureau of Criminal Investigation (BCI) Special Agent Steven Seitzman (SA Seitzman) sent an online records request to the Cincinnati Police Department (CPD) relative to any records that agency had involving Camille A. Weems (Ms. Weems) between January 1, 2021 and May 20, 2022. SA Seitzman requested the records because he learned that Ms. Weems used to reside at 5910 Clephane Avenue, in the city of Cincinnati.

On June 10, 2022, SA Seitzman received a PDF file containing responsive CPD records. On June 23, 2022, SA Seitzman received an additional PDF file containing CPD dispatch log information regarding calls for service to the aforementioned residence. SA Seitzman reviewed the records, which revealed that CPD responded to her residence on the following dates for the following reasons:

- September 24, 2021—CPD responded to the address for a mentally impaired, non-violent patient. CPD did not generate an incident report for the dispatch. The disposition of the call is unknown.
- September 29, 2021—Ms. Weems contacted CPD because she was hearing voices that were going to harm her. She believed she was under surveillance and was hearing three or four voices talking to her. She was transported to UC Psychiatric Emergency Services.
- October 10, 2021—Ms. Weems attempted to write a check to a neighbor for making too much noise. When CPD officers arrived, Ms. Weems was unable to provide her basic information. The disposition of the call is unknown.
- October 22, 2021—CPD responded to the address for a menacing offense. CPD did not generate an incident report for the dispatch. The disposition of the call is unknown.
- October 23, 2021—CPD responded to the address for a mentally impaired, non-violent patient. CPD did not generate an incident report for the dispatch. The disposition of the call is unknown.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law – a statute, an administrative rule, or any rule of procedure.

- November 10, 2021—CPD responded to the address for an unknown illness. CPD did not generate an incident report for the dispatch. The disposition of the call is unknown.
