Akron, Ohio 44307, Summit County

Investigative Activity: Video Review – Sam's Corner Store
Involves: Sam's Corner Store (O)
Activity Date: 01/12/2025
Activity Location: BCI Richfield
Authoring Agent: SA Jonathan Lieber

Narrative:

On Friday, December 20, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Jon Lieber (Lieber) received video footage that was exported from the DVR system at Sam's Corner Store located at 522 Vernon Odom Boulevard, Akron, OH 44307. The video was exported by SA Jeff Smith and SA Allison Fletcher.

On December 19, 2024, BCI agents interviewed Jazmir Tucker's (Tucker) brother Lance Brown Jr. (Brown). Brown told agents that on November 28, 2024, Brown believed that Tucker was walking from a family member's residence, located in the area between Harvard Street and Amherst Street in Akron, to Brown's residence on Everton Drive. Brown stated during his interview that it was possible that Tucker could have stopped at Sam's Corner Store on his way to Brown's apartment.

As a result of this information, agents obtained video footage from the surveillance system at Sam's Corner Store.

On December 19, 2024, Special Agent Supervisor (SAS) Chuck Moran (Moran) took photographs of the surveillance system and viewing monitor at Sam's Corner Store. In the image below, several channels, including channel 10, showed a black screen and no video feed.

Channel 11

Four videos were downloaded covering November 28, 2024, from 2000 hours to 2300 hours. The screenshot below shows the point of view from the channel 11 camera.

Several people were observed on the video walking in the area. In some cases, due to the distance between the individual and the camera, it was not possible to make out sufficient detail to identify the person or confirm the color/ style of their clothing. In addition, the video recorded in grayscale (possibly low light/night vision) so the color of clothing could not be confirmed.

On the video with file title, **XVR_ch11_main_20241128220008_20241128230000** two people can be seen walking at 10:00:19 PM [elapsed time 00:10]. Both individuals are wearing light color pants and dark color jackets. It should be noted that Tucker was wearing light-gray color pants and a green color jacket. See screenshot below.
