Narrative:

On Sunday, July 13, 2025, at approximately 1856 hours, Ohio Bureau of Criminal Investigation Special Agent Steven Seitzman spoke with [REDACTED] at the scene of the officer-involved critical incident. [REDACTED] identified herself as the daughter of Consuelo Denise Kerr and the stepdaughter of Ronald Hazen Kerr.

The following summary of the interview highlights the key points the author deemed most relevant, although it does not provide a verbatim account. Additionally, this report was placed in a chronology to aid in the overall understanding of the information elicited during the interview and may not reflect the actual interview sequence. For further details, please refer to the interview recording.

[REDACTED] began the interview by saying, "From what I know from what happened, he [Ronald Kerr] shot my mom [Consuelo Kerr] at 4:42 after molesting me for 25 years."

[REDACTED] stated that Ronald and Consuelo had been arguing throughout the day. She stated that at approximately 1526 hours, Consuelo called her and asked if she could come to her house. She stated that she could hear Ronald in the background accusing Consuelo of infidelity, shouting the names "Bill Puckett" and "Gene Bolton." She said the two had argued on and off for the past few months. She went on to say Ronald Kerr was on multiple medications for [REDACTED], and other ailments. She advised that she is his caregiver through Elite Angels Healthcare.

SA Seitzman inquired about Ronald Kerr's military experience. [REDACTED] stated she was uncertain where he had served and said he made up "so many different stories about it."

[REDACTED] stated that at approximately 1638 hours, she received a phone call from Ronald Kerr asking if she would bring her daughter over to their house. [REDACTED] agreed to do so

once her daughter woke from her nap.

██████████ stated that at approximately 1647 hours, she received a phone call from Dakota Schneider, who is Ronald's daughter from a prior relationship. Dakota asked her if she had spoken with Consuelo, to which she replied that she had not. Dakota went on to tell her that Ronald called her to inform her that he had just shot Consuelo "four times in the chest." She stated that Dakota told her Ronald said he shot Consuelo "three times with a handgun and one with a shotgun."

██████████ stated that she responded to Mohawk Street immediately following her call with Dakota, and upon her arrival, she observed multiple police officers in the area. As she was parking in the Summit Academy Secondary School parking lot (across the street from 3013 Mohawk Street), she called Consuelo's phone, which was approximately 1648 hours. She said Ronald answered the phone. She asked him where Consuelo was, to which he replied, "She's laying on the ground dead." She responded by asking what he meant, to which he replied, "I shot her." She recalled Ronald saying, "You're never talking to her again."

██████████ stated that she tried to call Consuelo's phone again at approximately 1655 hours, but Ronald answered and quickly hung up. She said she then called Ronald's phone. She said she pleaded with him to come outside. She said Ronald blamed her and told her, "It's all your fault." She said Ronald was angry that she did not bring her daughter over when he asked earlier.

██████████ stated that she asked a police officer if she could talk to Ronald over the loudspeaker, which was denied. She stated that five or six officers approached her and inquired which doors were likely locked. She told the officers that the rear door does not lock. She stated that the officers went around to the rear of the residence, and she recalled that one of the officers was holding a shield. She said she heard one single gunshot. Several seconds later, she recalled hearing eight or nine gunshots. She opined that the first shot was Ronald shooting at the officers, and the other shots were from police officers returning fire. She said the officers "thankfully" shot and killed Ronald because "that's the best place for him."

██████████ stated that Ronald also called his niece, Amy (Tolfree), earlier in the day. She said Consuelo informed her about the call when they last spoke on the phone. ██████████ said she learned through Consuelo that Ronald told Amy that he was depressed and wished to commit suicide, "whether it be self-inflicted or suicide by cops."

██████████ said that Ronald had "multiple guns" inside the residence.

SA Seitzman inquired about the sexual assault incidents that ██████████ mentioned earlier in the interview. She stated that when she was five, "The motherfucker [Ronald] held me down and raped me. Again when I was six, and all through my entire childhood until just recently." SA Seitzman inquired if she ever disclosed that information to anyone. She stated that she told Consuelo about it; however, Consuelo did not take action because of a supposed life insurance policy that was payable upon Ronald's death. ██████████ stated that she tried to report the matter to the Middletown Police approximately nine years ago; however, she stated that the officer accused her of dishonesty and did not file a report.

The interview concluded at approximately 1915 hours. The interview was recorded via body-worn camera. The footage was stored in the Evidence.com case within the folder labeled "Reference Item L – Interview of [REDACTED]."

Middletown Police Detective Connor Kirby later obtained written consent from [REDACTED] to search her phone and to take images detailing the aforementioned calls she disclosed. The images and written consent are attached to this investigative report.
