TRITECHFORENSICS

The image shows a forensic evidence tag placed on a wooden surface. The tag is white and contains several fields for recording information. At the top, there is a handwritten case number '104' and a date '10/26/11'. Below these are fields for 'Description of item photographed:', 'Photographer's Name:', and 'Time:', with the time recorded as '12:00'. The tag also features a ruler with markings from 0 to 2 inches. A small hole is visible in the wood, located near the ruler. The tag is oriented vertically, and the text is printed in a standard font. The background is a dark, textured wooden surface.
