2022-1356
Officer Involved Critical Incident – 1659 S. Main Street, Akron,
Ohio 44301

Investigative Activity: Telephone Interview

Involves: Jayland Walker (S)

Date of Activity: 07/07/2022

Narrative:

On July 2, 2022, the Ohio Bureau of Criminal Investigation (BCI) radio room received a phone call from a female who identified herself as Britt Heideman (Heideman) and who provided a contact phone number of 651-387-8952. Heideman asked to speak to someone about information regarding the investigation into the officer-involved shooting in Akron on the morning of June 27, 2022.

The request from Heideman was forwarded to BCI Special Agent (SA) John Tingley (Tingley) for follow-up. On July 7, 2022, at approximately 1203 hours, SA Tingley began audio recording as he contacted Heideman at the aforementioned phone number.

The following is a synopsis of the telephone call and is not a word-for-word translation of the phone call. It is recommended that the entire audio recording be reviewed for further questions.

Upon making contact with Heideman, SA Tingley identified himself and advised Heideman that the call was being recorded. SA Tingley asked if Heideman had any information regarding the officer-involved critical incident shooting. Heideman responded that she did not have any information but was advocating for policy changes and police reform.

SA Tingley advised Heideman that BCI is an investigative agency and is not directly involved in making policies or procedures. At this time, SA Tingley advised Heideman that due to the aforementioned fact and also because the investigation is ongoing, SA Tingley could not provide any more information. At this point the call was ended.

A copy of the audio recording is attached to this case file.
