2026-2448

Officer Involved Critical Incident - 613 Orange Street,
Conneaut, Ohio 44030 Ashtabula County

Investigative Activity: Crime Scene Processing

Involves: Ashtabula County Sheriff's Office / Conneaut Police Department

Activity Date: 06/25/2026

Activity Location: 613 Orange Street, Conneaut, Ohio

Authoring Agent: Special Agent Edward Lulla #117

Narrative:

On Wednesday, June 25, 2026, at approximately 1730 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Edward Lulla arrived at 613 Orange Street in Conneaut, Ohio, in response to a request for crime scene assistance. Upon arrival, he met SA Laurina McClintock, who was already on scene.

The Special Agents were advised that earlier in the day, the Ashtabula County Sheriff's Department, along with the Conneaut Police Department, attempted to serve an arrest warrant at the residence for one Brandon Butts. Upon arrival, deputies located Butts; however, he reportedly barricaded himself in the basement with his girlfriend and refused to allow her to leave. The Special Agents were further advised that once the girlfriend was able to exit the basement, law enforcement introduced gas into the basement through a broken basement window; however, this was unsuccessful in prompting Butts to surrender. A confrontation eventually occurred between law enforcement and Butts, during which Butts was shot and killed inside the basement. No law enforcement personnel were reported to have been injured.

At this time photographic documentation of the scene was conducted, and additional documentation was completed using a Leica BLK360 laser scanner.

While walking west down the driveway of 613 Orange Street, multiple cartridge casings and discarded SWAT equipment were observed. A total of thirteen, 5.56/.223 cartridge casings were located along with **fifteen**, 9mm cartridge casings.

An empty Glock 9mm magazine was also located in the driveway, marked as Item 12, and collected.

The discharged SWAT equipment, including pry tools, rams and a shield, was photographed but not collected.

2026-2448

Officer Involved Critical Incident - 613 Orange Street,
Conneaut, Ohio 44030 Ashtabula County

Upon entering the north side door off the driveway, **five** 5.56/.223 cartridge casings were located on the landing, photographed, and later collected.

A total of **ten** 5.56/.223 cartridge casings were located on the stairway leading to the basement; they were photographed, documented, and collected.

At the bottom of the basement stairs, **four** additional 5.56/.223 cartridge casings were located, documented, and collected.

Also located in the basement, to the right of Butts and leaning against a wall, was a camouflage-colored Traditions .50 caliber muzzleloader (SER# 14-13-058059-00). The weapon was found to be missing its trigger assembly, exhibited damage consistent with apparent ballistic impacts, and had a reddish-brown stain consistent with blood. The weapon was later secured in a cardboard weapons evidence box (Item #60).

A brown-colored soft rifle case was located on the basement floor (Item #58), collected, and secured along with two cellular telephones one near Butts' and the other on a dresser (Item #51 & 61).

Butts was discovered handcuffed in the front of his body. His shirt was open, and probes were observed on his chest, consistent with apparent life-saving attempts. Two pocketknives were found on Butts waist apparently left there after a search of his body had been made (Item #52 & 53).

At this time, Dr. Catherine Bishop, the Ashtabula County Coroner, entered the basement, and Butts' remains were removed from the scene and transported to the Cuyahoga County Coroner's Office for a postmortem examination.

Four projectiles were discovered on the floor near Butts (Item #54-57). A fifth projectile (Item #62) was located beneath Butts once his body had been removed. All recovered projectiles were placed in envelopes, documented and secured.

A video camera was located attached to the basement ceiling, marked as Item #63, and secured.

The door at the bottom of the basement stairs was found to have multiple apparent ballistic impacts. The impacts were photographed with tape scales placed adjacent to them. All impacts appeared to have originated from the stairway side, traveling into the basement.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

2026-2448

Officer Involved Critical Incident - 613 Orange Street,
Conneaut, Ohio 44030 Ashtabula County

A drone was located on a bed in the basement and marked as Item #59. The drone was subsequently turned over to Det. Wolff of the Ashtabula County Sheriff's Department. Det. Wolff signed a BCI Evidence Receipt acknowledging custody. A copy of the receipt was uploaded to Matrix.

All items of evidence were transferred from SA Lulla to SA McClintock, who transported them to the Ohio BCI Richfield Office and secured them accordingly. A copy of the BCI Evidence Receipt was uploaded to Matrix. The SD card containing the crime scene photographs had to be craved by BCI Cyber Unit. The recovered crime scene photographs and 3D scan data were later uploaded into Evidence.com.

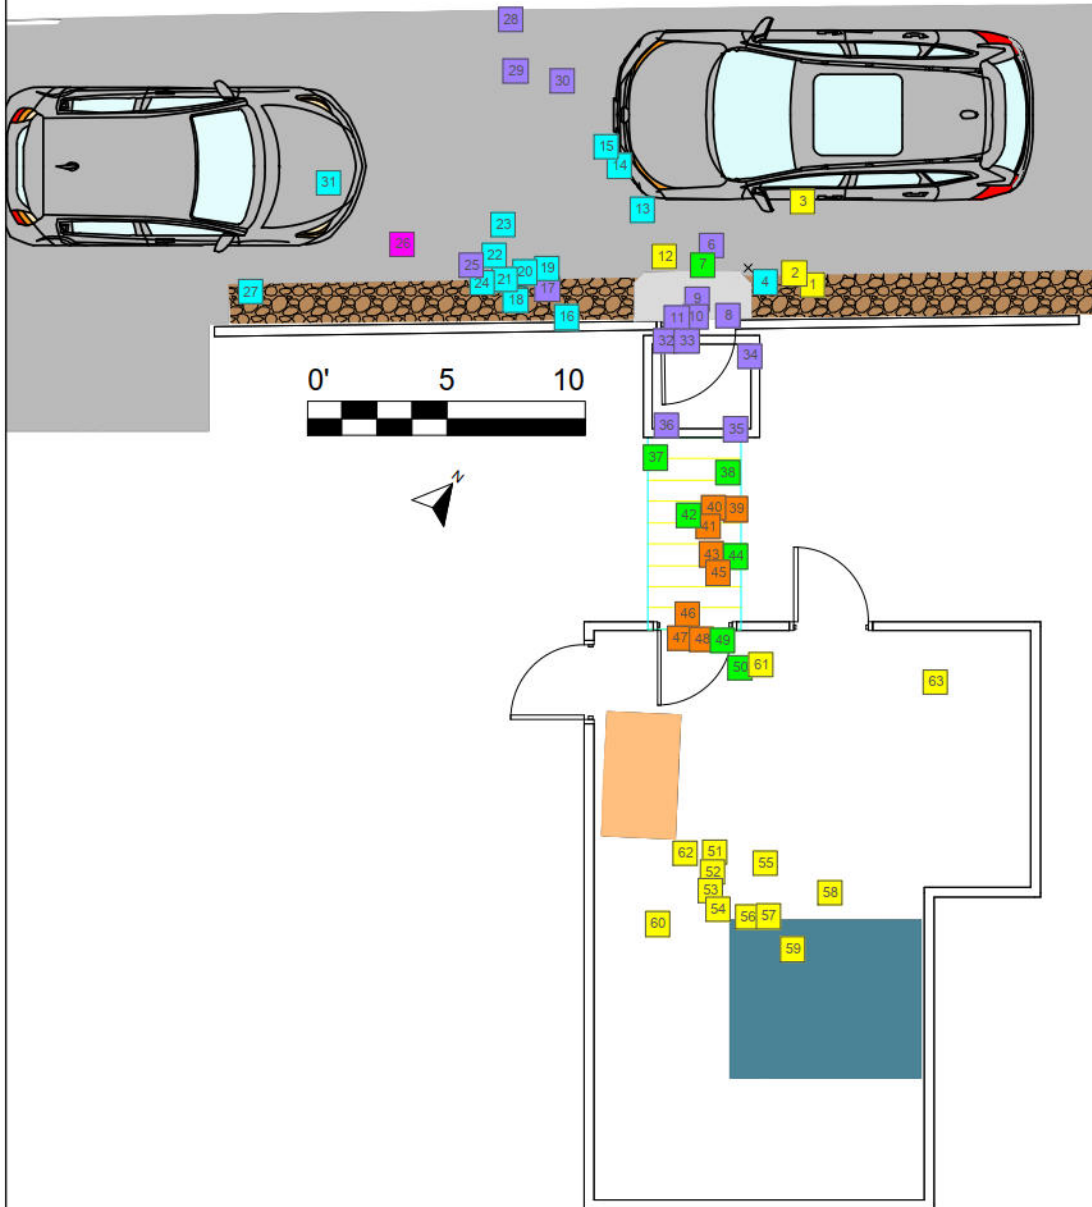

SA Lulla secured from the request at 2200 hours.
