Redactions of items such as in-car computer screens were noted on 19 videos. The non-redacted versions of those videos were also received. The redacted videos were placed in a folder labeled "Ref Item C - Akron PD BWC videos - Redacted" and stored on Evidence.com.

An Excel spreadsheet was created listing identifiers for each video as well as any noteworthy findings. Several videos, such as the body-worn cameras of Officers Davon Fields and Steven Loar, will be detailed in separate reports.

Reference items B and C are stored on Evidence.com. The Excel spreadsheet has been attached to this report.
