Each recording was reviewed, and a summary of the most relevant information was provided below:

4_911_2_2024_11_11_20_34_47_by_Medina_City

The recording was 12 minutes and 26 seconds, and the time of the call was 20:34:47 hours. The recording began with a female dispatcher answering the phone stating, "911 what is the address of your emergency?" A male responded and said his name was Charlie Alexander (Alexander).

Alexander said, "we tried to reach her mother, and we can't." He continued by stating all he wanted to do was speak "to her mother". Alexander also gave orders for "them" (likely officers on scene) to not approach his vehicle. He then said "we are prepared to end it" [00:41].

Alexander could be heard in the background yelling at someone. The dispatcher instructs him to "drop the gun out of the window" to which he responded "no" and repeated that he wanted to talk to the mother. A young female's voice could be heard faintly in the background.

Alexander then stated "they" have 10-seconds or his is going to end it. The young female could be heard saying "no" in the background and asking for her mother. The dispatcher continued to speak with Alexander and relay Alexander's instructions to officers.

Alexander blamed Jefferson County and "their crooked ways." He also blamed the mother for not properly co-parenting, and "the system" causing him so many issues.

The dispatcher asked Alexander if he was "keeping her safe," referring to his daughter, Oaklynn. Alexander responded with "for now." Oaklynn could faintly be heard in the background speaking.

At 05:21 Oaklynn could be heard in the background asking about going to heaven. Alexander then proceeds to explain to her that they both will go to heaven that night.

The dispatcher continued to speak to Alexander. Alexander became upset and stated, "it was too late."

Officer Involved Critical Incident - 5050 Eastpointe Drive,
Medina, Ohio 44256, Medina County

At 06:30 Oaklynn could be heard in the background speaking. She sounded upset and continued to say that she didn't want to go to heaven today. Alexander said he was sorry to her and said they were both going to heaven.

09:53 Oaklynn could be heard in the background stating, "don't shoot me."

As the dispatcher spoke with Alexander he would calm down and then become irate again, naming all the reasons he was upset with the system and why he had to do what he was planning to do. Alexander repeatedly said, "there is no coming back from this."

The remainder of the phone call involved the dispatcher telling Alexander that the "Chief" wanted to speak with him, and she was attempting to transfer the phone call.

The call ended with Alexander stating he was going to make a video, and he would call back when he finished. He then stated, "don't come to this door" and the call disconnected.

1_911_1_2024_11_11_20_48_15_by_Medina_city

The recording was 4 minutes and 38 seconds, and the time of the call was 20:48:15 hours. The recording began with a female dispatcher answering the phone and stating, "911." A male responded and said it was Charlie Alexander again. The dispatcher said she was going to connect him on the phone with the chief.

Alexander could be heard telling his daughter Oaklynn to "lean back." The dispatcher stated she was trying to connect Alexander with the Chief, but she was having difficulty.

Alexander then stopped responding to the dispatcher and could be heard speaking with Oaklynn. The conversation was mostly unintelligible. Alexander then returned to the phone and appeared irate. The dispatcher continued stating the Chief was attempting to call him.

Oaklynn could faintly be heard in the background.

At 03:25 Alexander said, "we are going to go to a better place." Oaklynn then responded "why?" and "where?"

Alexander became frustrated and said he would hang up so the Chief could call him. He then told the dispatcher her "games were over" and the call disconnected.
