Good afternoon, Mr. Barbeau.

I am writing in regards to the Bryant records provided to you on disc a couple of weeks ago. There was an activity log included in those records that was entered on the wrong case, so we ask that you please disregard that entry in its entirety.

It was an entry made on February 6, 2020. It can be found on disc 2, in the folder covering the time period of December 1, 2017 through October 16, 2020. It is on pages 3,877-3,881 of the file named "SACWIS AND ONBASE." That specific entry does not concern the Bryant matter.

Please let me know if you have any further questions or concerns.

Thank you,  
Carolyn
