Narrative:

On 08/25/2023, Special Agent (SA) Tiffany Najmulski (Najmulski) went to the Celina Fire Department to meet with Fireman/Paramedic Brian Davis (Davis). Davis was dispatched to the scene of the officer involved shooting at Eastview Park in Celina. The following is a summary of the interview which was digitally recorded and attached to the case file.

Davis said he responded to the park to a patient that was under full arrest. The patient was intubated and CPR was being performed. Davis said the patient was too large for the LUCAS device (mechanical chest compression device), so manual CPR was performed.

Davis said the patient had a gun shot wound to the left back area in which a dressing had been placed. A wound on the left leg had a tourniquet around it. Davis said during transport they found another wound on his right leg.

Davis said the officers were doing everything they could with what they had to help the patient before EMS got there. Davis had no further information and the interview concluded.
